## Dreaming *beyond the Shores*

From the quiet fishing village of Bhadreshwar in Kutch comes an inspiring story of determination and hope, **the journey of Najir Manjaliya.**

The son of a fisherman, Najir grew up with limited resources but boundless dreams. Education was always his guiding light.

In 2023, he joined Class IX at **Adani Vidya Mandir, Bhadreshwar**. Though new to the environment, he quickly adapted and began to thrive with the support of his teachers. He didn't just excel in academics but also discovered his confidence through co-curricular activities.

**In Class X, Najir achieved a remarkable 93.33% (PR 98.42) in the SSC Board Exams,** a proud moment for his family, school, and village.

Najir shares: **"Adani Vidya Mandir shaped my future. It gave me values, confidence, and the strength to dream big. I'm truly grateful to my teachers and the Adani Foundation for believing in me."**

Najir now dreams of becoming an IAS officer. His journey reminds us that with the right support, even the simplest beginnings can lead to extraordinary heights

## #Hum Karke Dikhate Hain

### AVMA to IIM: Vatsal's Journey of Grit and Glory

Born to a diamond cutter in Ahmedabad, **Vatsal Gupta** grew up with limited means but big dreams. He joined **Adani Vidya Mandir in Class 3**, where he found **belief, guidance, and purpose**.

With quiet determination, he excelled in academics, completed his BBA, and chased a dream few dare to cracking the IIMs.

**He made it, 99.51 percentile in CAT, 100 percentile in CMAT (Logical Reasoning), and now, a proud student of IIM Rohtak.**

Adani Vidya Mandir is proud to support him with a scholarship and mentorship. We're with you, Vatsal and every AVMA student till you stand tall, with confidence and a smile.

# AIR 167

## JEE Advanced

**Jay Bavaskar, a Class XII student from AVMA, has secured All India Rank 167 (SC category) in JEE Advanced 2025, a proud milestone in his journey.**

Coming from a modest background, where his father once worked as a store helper, Jay's path was filled with challenges. But with consistent support from AVMA - academically, emotionally, and personally - he found a place where he could grow.

Jay now dreams of becoming a research scientist. His story shows that when schools truly understand and support a student's story, journey, they don't just succeed, they soar.

## Becoming the First

### K. Anusha's Journey from Penna School to IIT

**K. Anusha**, daughter of a humble security guard, K. Ramanjineyulu, has made history at Penna School, Thalaricheruvu, Andhra Pradesh (managed by Adani Foundation).

With quiet determination, relentless hard work, and the unwavering support of her teachers, she secured a remarkable **JEE Advanced rank of 2875**, becoming the first ever student from this rural belt to achieve this milestone.

Her journey from a modest background to India's premier engineering gateway is a story of courage, grit, and belief.

Anusha has not just cracked an exam; she has broken barriers and opened doors for many more dreams to rise from the heart of rural India.

# AVMA among the *Top-rated school*

Adani Vidya Mandir, Ahmedabad (AVMA) has scored an impressive 232 out of 250 in the NABET accreditation for 2025, placing it among the top-rated schools in India. This rating was awarded by the **National Accreditation Board for Education and Training (NABET)** under the Quality Council of India (QCI).

## Best Performing School – National Mathematics Olympiad

We are proud to share that NRC School (managed by the Adani Foundation) has won the Best Performing School Award at the National Level Mathematics Olympiad, conducted by the Unified Council.

The award ceremony took place at Ravindra Bharathi Auditorium, Hyderabad. This honor reflects the teamwork of dedicated teachers, enthusiastic students, and supportive parents.

## External Competitions & Summer Programs

**Our students are gaining valuable experiences across national platforms:**

- 6 students selected for the IIRS-ISRO Program, Dehradun
- 2 students selected for Changemakers 2.0 at IIT Delhi
- 1 student selected for IISER-Bhopal
- 12 students participated in the School Connect Program with IIT Madras
- 630 students will take part in Technothon by IIT Guwahati

## EMPOWERING EDUCATORS – THE ART OF QUESTIONING

Educators from **8 Adani Foundation Schools** were trained in advanced questioning techniques to promote deeper learning.

### **The training focused on:**

- Bloom's Taxonomy
- Crafting purposeful, thought-provoking questions
- Applying them in real classroom settings

These educators will now mentor their peers in designing assessments that shift from basic recall to critical thinking and problem-solving.

## HOME COMING!

It was a beautiful moment of nostalgia as over 100 alumni from the **2000 batch reunited at NRC School, now managed by the Adani Foundation.**

They returned to relive school memories, reconnect with old friends, and celebrate their journeys from school life to successful careers.

## DID YOU KNOW?

In Krishnapatnam, the Adani Foundation is creating a unique dual-purpose educational campus with two distinct missions:

### **Adani World School:**

Focused on academic excellence, innovation, Indian values, and holistic development.

### **Adani Sainik School:**

Built on discipline, leadership, and service with:

- Integrated SSB coaching
- Physical training
- Leadership development
- A strong service mindset

**One campus. Two powerful missions. A shared vision to shape India's future.**

## Stay Inspired Stay Connected

This **ENZEURA** edition celebrates the energy, curiosity and strong bonds that define Adani Foundation Schools.

We'll be back on July 5, 2025, with more inspiring stories. Until then, here's to classroom laughter and the joy of returning with new memories.
