Foreword

A school's true achievement lies not only in what its students accomplish, but in the people, they become and the difference they make to the world around them. This October, ENZEURA brings together stories of innovation, perseverance, discovery, and service from our schools.

Each reflects the values we seek to nurture: the courage to think, the resilience to act, the compassion to care and the responsibility to contribute. Together, these experiences shape individuals who place humanity at the heart of progress and the nation's well-being at the forefront of their aspirations.

Adani Vidya Mandir Ahmedabad

QUEEN'S COMMONWEALTH WRITING COMPETITION 2026

What can young writers achieve when they are encouraged to think beyond their immediate surroundings?

Students of Adani Vidya Mandir Ahmedabad (AVMA) offered an inspiring answer at the Queen's Commonwealth Writing Competition 2026.

Organised by the Royal Commonwealth Society, the international competition invited students to explore the theme "Common Ground: Better Together." **With 53,840 entries from 56 Commonwealth member countries, it provided a platform for young people to express their ideas on unity, inclusion and shared humanity.**

AVMA students from Grades 6 to 12 received 98 awards, comprising:

- **16 Gold Certificates**
- **36 Silver Certificates**
- **46 Bronze Certificates**

Behind these numbers are students who imagined, questioned and communicated their thoughts through writing. Their work reflects not only literary skills but also the ability to consider different perspectives, engage with ideas and recognise what connects people across backgrounds.

The theme, "Common Ground: Better Together," is a reminder that meaningful communication begins with understanding. By exploring such themes, young writers learn that words can open conversations, challenge assumptions and build connections.

School Milestones & Recognition

Every milestone has a story. Every story begins with effort.

Jaypee Public School, Noida

Local Ideas, Global Impact

Jaypee Public School, Noida, earned international recognition at the Global Sustainability Awards 2026 at Miranda House, University of Delhi, with participation from sixty-five countries. Principal Ms. Anjali Malik received the Visionary School Leader Award, and the school was named among the world's Top 20 Schools as an SDG EduHero. Students Harshita Chandra, Hemakshi Bhati, Utkarsh Chaudhary and Akshaj Sharma were recognized for their SDG-based projects.

Adani Public School, Kawai

Every First Victory Opens a New Door

Adani Public School, Kawai (Primary School) celebrated its first district-level sports trophy after 35 students competed across events. Six students earned selection for state-level competitions. Rishika Kaushik and Nishi Tailor advanced in Under-14 girls' skating; Ambika Rathore and Tinisha Jain were selected in volleyball; and Arihant Singh Bhaghel and Vishal Channawat qualified in the athletics relay.

Every milestone has a story. Every story begins with effort.

Ambuja Vidya Peeth, Rawan

Leadership That Helps Learning Flourish

Dr. Sanjay Kumar Pandey, Principal of Ambuja Vidya Peeth, Rawan, received the National School Leader of the Year 2026 award from the Association of Indian Principals in New Delhi on October 10, 2026. The honour recognizes his leadership, administrative contribution, and work in education.

Jaypee Public School, Noida

Every Lap Builds Confidence

Vaidarbhi Sahu of Class VI-B and Ishaan Kumar of Class V-C excelled at the District Roller Skating Championship at Devaswom Sports Complex, Sector 46, Noida. Vaidarbhi won gold, while Ishaan secured one silver and two bronze medals.

DAV Ambuja Vidya Niketan, Darlaghat

Talent, Teamwork, and the Road to Nationals

At the DAV State-Level Sports Tournament 2026, 105 students from DAV Ambuja Vidya Niketan, Darlaghat, competed across six disciplines, winning 8 gold, 6 silver and 10 bronze medals. Most notably, 29 students were selected for national-level sports tournaments.

School Milestones & Recognition

Every milestone has a story. Every story begins with effort.

Jay Jyoti School, Adani JNSTPP Nigrie

Smart Ideas for Every Drop of Water

At the CBSE Skill Expo 2026, Class XI students Shubhi Dwivedi and Rudra Tiwari presented an IoT-based Smart Agricultural and Precision Irrigation System. Their low-cost prototype monitors soil moisture in real time and automatically controls irrigation, with the potential to save 35–40% of water compared with traditional methods. Designed with rural and marginal farmers in mind, the project connects classroom learning to a real-world need: helping agriculture use water more wisely.

Adani Public School, Mohone, Kalyan

On the Mat, On the Podium

Vedant Gurunath Gondhale of Class X won a silver medal in the Under-17, 110 kg category at the DSO Mumbai Divisional Level Wrestling Tournament.

Teamwork Takes the Field

The school's softball team finished as runners-up at the DSO District Level Softball Tournament 2026.

A Throw That Earned Recognition

Atharva Gharge of Class X secured the bronze medal in discus throw at the DSO District Level Athletics Competition, marking a notable achievement in athletics.

Adani Public School, Mundra

Ranked No. 1 in Kutch, Gujarat
Education World India School Ranking 2026–27
Adani Public School, Mundra, has been ranked No. 1 in Kutch, Gujarat, in the Education World India School Ranking 2026–27. The award ceremony was held on October 22, 2026 in New Delhi.

Jaypee Public School, Noida

Five Medals, One Determined Spirit
Tritiya Gupta of Class IV-C won five medals in skating, bringing distinction to Jaypee Public School, Noida. Her achievements included silver in the 1 Lap Road Race at the CBSE North Zone-1 Cluster XIX, gold, silver and bronze at the Greno Banked Track meet, and bronze at the District Roller Skating Championship.

Jaypee Vidya Mandir, Vishnupuram

Recognizing Effort, Supporting Potential
Young athletes from Jaypee Vidya Mandir, Vishnupuram, received recognition under the Chief Minister's Sports Scholarship Scheme. Amritanshi Bhujwan, Kumud Saklani and Parth Chamola were awarded scholarships of ₹1,500 per month each. In the senior category, Muskan Negi received ₹2,000 per month, while Prashant Negi was awarded ₹34,000 as a cash prize.

From District Competition to State Representation

The Under-14 boys' football team secured third place in the 70th District-Level Football Tournament. Mohammed Islam Khan of Class VIII was selected to represent the team at the state-level tournament in Jodhpur, Rajasthan.

Ambuja Vidya Niketan, Ambuja Nagar, Kodinar

Gujarat Khel Maha Kumbh: Competing Across Disciplines

Students participated in chess, athletics, football, and karate during the October 2026 competitions. Shiv Jani won first position and Panav Mori second in the taluka-level Under-17 boys' chess competition. Panav subsequently secured first position at district level and qualified for the state competition. Aarushi Vainsh secured second position in Under-17 girls' karate and qualified for the state level. Anishka Nair, Gunjan Solanki, Harshiv Parmar, Shivansh Gautam and Jeet Gohil secured third positions in their respective karate categories. Jainam Chaudhary placed fifth in the Under-17 boys' 100-metre race, while Yug Mori finished sixth in both the 200-metre and 400-metre events at taluka level. The Under-17 boys' football team placed eighth among 15 district-level teams.

School Milestones & Recognition

Every milestone has a story. Every story begins with effort.

Ambuja Public School, Rabriyawas

Teamwork Beyond the Classroom

At the 70th District-Level Tournament, the Under-17 boys' table-tennis team finished as runners-up, earning three silver medals. The Under-14 girls' badminton team also finished as runners-up, winning four silver medals. Fourteen students were selected to represent district teams in football, basketball, and badminton at state-level tournaments across various age groups.

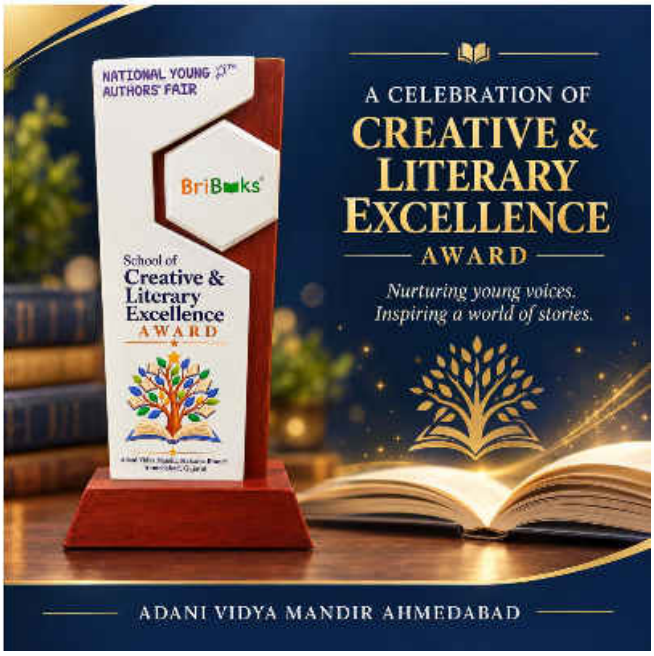

Ambuja Vidya Niketan, Ambuja Nagar, Kodinar

Kala Maha Kumbh: Creativity Finds Expression

Students participated in several disciplines at the Taluka-Level Kala Maha Kumbh 2026. Vidhi H. Jadav secured first position in solo singing, the senior group won first position in Raas, and Panchhi Barad won first position in mono acting. Shreshtha Chandera secured second position and Shloka Gohil third in their respective speech categories. Vedanshi Parmar won first position in Chitrakala, while Krutsnam Parmar secured first position in Bharatnatyam.

200+ Student Authors: Young Voices Find Their Place in the World

A thought becomes an idea, an idea becomes a story, and a story finds its readers. At Adani Vidya Mandir Ahmedabad (AVMA), this journey of expression has taken a meaningful step forward, with more than 200 students becoming published authors.

The school received the School of Creative & Literary Excellence Award, a city-level honour presented by Bri Books, recognising its contribution to nurturing young literary talent.

For students, writing offers more than an opportunity to publish a book. It encourages them to observe the world, organise their thoughts, express their imagination and communicate with confidence. Each published work represents the effort of a young mind learning to give shape to its ideas.

Research That Brings Poetry Closer to Life

Mrs. Sushma Sati, Vice Principal of Jaypee Vidya Mandir, Vishnupuram, published a research paper titled **"Reading Poetry in the Contemporary Classroom: From Romantic Imagination to Frostian Realism" in JETIR, Volume 13, Issue 10, October 2026.** The paper examines the poetry of Shelley, Coleridge, and Robert Frost, exploring how poetry can develop critical thinking, creativity, empathy, and reflective judgement. Its learner-centred approach, "Imagine, Interpret, Engage with Reality," offers a reminder that literature can help students understand both ideas and human experience.

When Young Writers Turn Imagination into Books

Students of Jaypee Public School, Noida, authored books through BriBooks at the National Young Authors' Fair in October 2026. The milestone celebrates more than publication: it recognizes the imagination, discipline and personal voice involved in shaping an idea into a story. By encouraging students to write and share their work, the school helps them grow as confident communicators who can express ideas and connect with readers.

Research That Asks Deeper Questions

Dr. Sanjay Kumar Pandey, Principal of Ambuja Vidya Peeth, Rawan, has published more than 20 international research papers in Mathematics, Physics, Mathematical Physics, and the Indian Knowledge System. His recent paper, "Black Magic: A Socio-Cultural, Psychological and Historical Study," explores a complex subject through multiple perspectives. His work reflects the value of inquiry: looking beyond assumptions, examining evidence, and seeking a deeper understanding of the world.

Student Writing Reflects on National Festivals

Class VIII student मिष्ठी चावड़ा published the composition "राष्ट्रीय पर्व: अवकाश दिवस नहीं." The piece encourages readers to look beyond national festivals as holidays and remember the sacrifices of the nation's martyrs.

A Teacher's Ghazal Reaches Print

Hindi teacher Mr Anant Ram Tripathi's first ghazal was published in Aviral Patrika, a monthly publication by Vaidik Prakashan. Inspired by Principal Shivanand Shiragave, the composition encourages introspection and self-improvement rather than focusing on others' shortcomings.

Together, these contributions highlight the role of writing in developing reflection, expression, and thoughtful engagement with ideas.

From Memorizing Reactions to Understanding Them

Jaypee Public School, Noida, hosted CBSE's pilot project on Modular Capacity Building for Class XII Organic Chemistry, curated by the Centre of Excellence, Noida. The programme brought educators together to explore reaction mechanisms, competency-based learning, and experiential teaching. Resource people, Ms. Poonam K. Mendiratta, and Ms. K. B. Padma Singh helped unpack complex concepts and practical approaches. The focus was clear: when students understand the 'why' behind a concept, learning becomes more meaningful than memorization.

Ambuja Vidya Niketan, Ambuja Nagar, Kodinar

Exploring Careers in Aviation

On 14 October 2026, students of Classes X, XI and XII attended a career guidance session on opportunities for pilots and cabin crew. Captain Gaurav Amitkumar Trivedi, General Manager of DREAMVION Pilot & Cabin Crew Training, Dehradun, explained aviation career pathways and the preparation required to pursue them. The session helped students understand a professional field beyond their usual classroom experience.

Young Minds, Ideas for Real-World Challenges

Students of Jaypee Public School, Noida, visited the 12th National Level Exhibition and Project Competition 2026 at Pragati Maidan, organized by the Department of Science and Technology and the National Innovation Foundation, India. With 883 young innovators displaying science-led responses to societal challenges, the exhibition offered students a powerful view of what curiosity and problem-solving can achieve. It encouraged them to ask questions, explore possibilities, and imagine solutions that matter.

Campus Connect

When the classroom opens its doors to the real world.

Narayan and Neelam have begun a new chapter in their lives, joining Mitti Café at Sky City Mall, Borivali. **The café was inaugurated by the Hon'ble Governor of Maharashtra, Shri Jishnu Dev Varma**, who interacted with and warmly encouraged them.

After completing their schooling at Adani Foundation's Kandivali special schools, both continued their journey at Sadaphuli Workshop, Kandivali, where focused vocational training was introduced to prepare young adults with disabilities for meaningful employment.

This is a proud and emotional milestone for Narayan and Neelam, their school and their families. Seeing their children take steps towards independence and dignified employment is a dream coming true.

DAV ACC Public School, Kymore

Care Is More Than Giving; It Is Showing Up

On September 22, 2026, six staff members of DAV ACC Public School, Kymore, visited Ashra Orphanage in Katni with donations collected through the generosity of students and parents. The team sorted 19 packets of clothing, including everyday wear and winter garments and arranged fruits and snack packets for the children. Staff members also spent time with the children through games and storytelling before handing over the donations. The initiative paired practical support with human connection, showing students that community service is most meaningful when it is offered with care and respect.

Changemakers

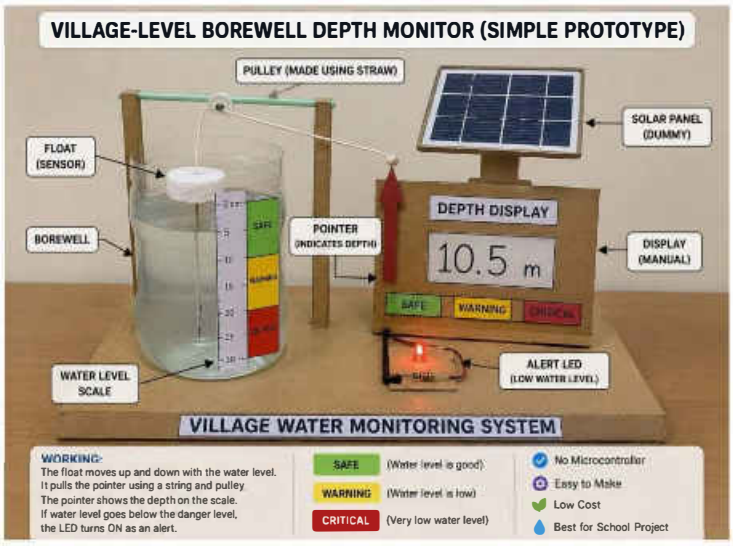

Ambuja Vidya Peeth, Rawan

Courage Grows When We Step Beyond What Feels Familiar

Mountaineer Ms. Samira Khan met girls from Classes VIII–XII at Ambuja Vidya Peeth, Rawan, sharing lessons from her experiences of adventure, preparation, and perseverance. She spoke about the discipline and mental strength required to face challenges and encouraged students to move beyond their comfort zones and set meaningful goals. Her journey offered a practical message: confidence is not the absence of difficulty, but the willingness to prepare, persist and keep moving forward.

STEMinIndia by Adani Foundation in collaboration with NIE, Singapore

From Classroom Questions to Community Solutions

STEM learning becomes meaningful when students use what they learn to understand the world around them. Through STEMinIndia, students across Adani Foundation-supported schools are exploring local challenges and developing practical solutions through science, technology, engineering, and mathematics.

This month, 16 schools displayed innovations addressing water conservation, healthcare, agriculture, food security, renewable energy, environmental sustainability, safety, and climate resilience. Each project reflects students' efforts to connect classroom learning with everyday needs.

1. HEALTH, CARE & COMMUNITY SAFETY

- **Adani Vidya Mandir, Ahmedabad**

SMRITI SAATHI - Supporting Care Through Technology

Students developed SMRITI SAATHI, a smart wearable badge designed to help identify and locate individuals with Alzheimer's disease. The filing of a student innovation patent application marks an important step in the development of this socially relevant idea.

- **Adani DAV Public School, Dhamra**

Borewell Rescue Robot - Engineering for Safety

Students explored robotics and engineering to develop a borewell rescue robot, focusing on a critical safety challenge where timely intervention can save lives.

- **Mount Carmel School, Sindola**

Wildlife Alert System - Living Safely Alongside Wildlife

The school developed a wildlife alert system to address community safety, alongside a zero-energy cooling solution that explores more sustainable ways of living.

- **Navchetan Vidyalaya, Hazira**

Aircraft Safety Model - Rethinking Passenger Protection

Students designed an aircraft safety model featuring a detachable passenger cabin, demonstrating how engineering concepts can be applied to transportation safety.

2. WATER & GROUNDWATER CONSERVATION

- **Adani Public School, Mundra**

Multi-Layered Water Filtration - Towards Safer Drinking Water
Students developed a multi-layered water filtration system with UV purification, exploring how different treatment methods can support access to safer drinking water.

- **Penna English medium School, Boyareddypalli**

Community Water Purification & Hydration Monitoring - Water for Well-being
Students worked on community water purification and hydration monitoring solutions, connecting water sustainability with everyday health and well-being.

- **Jaypee Public School, Noida**

Nature-Inspired Filtration - Learning from the Natural World
Students explored biomimicry-based water filtration systems and groundwater monitoring models, drawing on nature-inspired approaches to address environmental challenges.

- **Sardar Patel Vidyalaya, Dankaur**

Village Borewell Depth Monitoring - Knowing Our Water Resources
Students developed a village borewell depth monitoring system to support better understanding and management of groundwater resources.

- **ACC primary School, Jamul**

Water from Air - Exploring New Possibilities
Students created a water-from-air prototype to explore alternative approaches to water scarcity and the possibilities of innovative water generation.

- **Ambuja Public School, Rabriyawas**

Plant-Based Water Filtration - Science in Nature
Students explored natural water purification using plant xylem tissue, demonstrating how biological structures can inspire approaches to filtration.

3. ENERGY & ENVIRONMENT

- **Adani Public School, Mohone, Kalyan**

Footstep Power Generator - Energy in Everyday Movement
Students designed a footstep power generator to explore how everyday human movement can be used to generate energy.

- **DAV Ambuja Vidya Niketan Public School, Darlaghat**

Air Quality Monitoring - Understanding the Air We Breathe
Students worked on an air quality monitoring initiative, building awareness of environmental health and the importance of monitoring the air around us.

- **Ambuja Vidya Niketan, Upparwahi**

Cool Roof Technology - Designing for a Changing Climate
Students developed a cool roof technology model to explore how climate-responsive building approaches can help manage heat.

4. AGRICULTURE & FOOD SECURITY

- **ACC Middle School, Jhinkpani**

Smart Drip Irrigation - Making Every Drop Count
Students designed a smart drip irrigation system focused on efficient water use in agriculture, connecting technology with the practical needs of farming.

- **DAV Public School, Madhukunda**

Smart Food Container - Recognizing Food Spoilage
Students developed a smart food container with a spoilage indicator, exploring how technology can help identify food spoilage and address food wastage.

- **DAV Public School, Wadi**

Smart Food Saver Box - Keeping Food Useful for Longer
Students designed a smart food saver box to explore food preservation and encourage more responsible consumption.

5. STUDENT ACHIEVEMENTS & RECOGNITION

- **Adani Vidya Mandir, Ahmedabad**

SMRITI SAATHI - An Innovation with Social Purpose
The filing of a student innovation patent application for SMRITI SAATHI marks a significant milestone for the students, recognizing their effort to develop a technology-based response to community needs.

- **Navchetan Vidyalaya, Hazira**

Two First Prizes - Progress Through Project-Based Learning
The school secured First Prize at the CRC Level for its STEM model and went on to win First Prize at Project Expo 2026, organized by Bhagwan Mahavir University, Surat.
Akruti Jha, Second Position in the Scientoon STEM Competition by CSIR.

6. STEMinIndia: REACH & IMPACT

The growing STEM initiative across Adani Foundation-supported schools reflects a shared effort to make practical, inquiry-based learning part of students' educational experiences.

- 16 schools displayed STEM innovations.
- 60+ schools and colleges reached.
- 444+ teachers trained.
- 111 teachers participated in refresher programmes.
- Multiple community-centered prototypes developed.
- 1 student innovation patent application filed.
- The projects span health, water, agriculture, renewable energy, food security, the environment, climate action, and safety.

Alumni Connect

SHUKRIYA: AVMA ALUMNI RETURN WITH GRATITUDE

A Heartfelt Meeting with Shri Gautam Adani, Chairman, Adani Group

Every successful journey has a beginning. **For 13 alumni of Adani Vidya Mandir Ahmedabad (AVMA) and one alumnus of Adani Public School, Mundra (APSM)**, the journey began in schools that offered far more than education. They provided opportunities, encouragement and, above all, the confidence to dream big, believe in themselves and envision a brighter career and a happy life.

Founded by Shri Gautam Adani, Chairman, Adani Group, and Dr Priti Adani, Chairperson, Adani Foundation, AVMA has continued its mission of transforming lives through education under the leadership of Mrs Shilin Adani. Dedicated to children from economically underprivileged backgrounds, the school provides opportunities to nurture potential, build confidence and open pathways to a brighter future.

On **October 25, 2026, 14 alumni gathered at Shantivan, Ahmedabad, to meet Shri Gautam Adani, Dr Priti Adani and Mrs Shilin Adani.** They brought with them their unique stories of personal growth, professional achievement and heartfelt gratitude for the opportunities that had helped shape their lives.

Their professions and aspirations differed, but their stories shared a common thread: the difference that access to education, supportive teachers and sustained encouragement can make.

Alumni Connect

Fourteen Journeys, One Enduring Connection

1. Brijesh Dafda | Aspiring Doctor, AIIMS Jodhpur
A member of the 2021–22 batch, Brijesh secured AIR 2630 in NEET-UG and pursued MBBS at AIIMS Jodhpur. His journey reflected the importance of a strong academic foundation and the determination to pursue a career in medicine.

2. Dhruva Sharma | Management Professional
From the 2018–19 batch, Dhruva pursued an MBA in Marketing and Operations at Nirma University and developed his corporate career as a Management Associate and Key Account Manager. He credited AVMA with nurturing his confidence, ambition and sense of responsibility.

3. Kuldeepsinh Jadeja | Chartered Accountant, PwC
An alumnus of the 2016–17 batch, Kuldeepsinh cleared his Chartered Accountancy examinations while completing his graduation. His achievement reflected perseverance, discipline and the confidence developed through academic and extracurricular participation.

4. Dr Faizan Mansuri | First-Generation Doctor
A member of the 2018–19 batch, Dr Faizan served as a Medical Officer through a rural health service programme. He fondly remembered teachers who made learning enjoyable and encouraged him to believe in his abilities, particularly when he struggled with mathematics.

5. Vatsal Gupta | IIM Rohtak and Adani Enterprises
From the 2019–20 batch, Vatsal secured the 99.51 percentile in CAT 2024 and gained admission to IIM Rohtak with support from the Adani Scholarship. Following a summer internship at Adani Enterprises Limited, he received a pre-placement offer. His journey demonstrated how sustained encouragement and access to opportunities can help turn aspirations into reality.

6. Kaushik Soni | Assistant Manager, Adani Power
An alumnus of the 2018–19 batch, Kaushik qualified as a Chartered Accountant and joined Adani Power Limited as an Assistant Manager. His professional journey reflected perseverance and the value of opportunities that connect education with employment.

7. Hardik Patni | Cancer Researcher and Biotech Entrepreneur
From the 2016–17 batch, Hardik pursued a Ph.D. in cancer nanomedicine at Ahmedabad University and co-founded a biotechnology start-up. He recalled the patient guidance of his teachers, particularly during his transition from Gujarati-medium to English-medium education.

Alumni Connect

8. Rahul Modi | Wellness Professional and Research Presenter
A member of the 2016–17 batch, Rahul worked with Himalaya Wellness Company and received recognition for a poster presentation at the World Ayurveda Conference. His school experiences helped him overcome stage fear and develop the confidence to express his ideas.

9. Raj Pandya | Chief Officer, Merchant Navy
An alumnus of the 2007–08 batch of Adani Public School Mundra, Raj built a career in the Merchant Navy spanning more than 15 years. His journey strengthened his discipline, resilience and leadership, while the lessons learned at school continued to guide him.

10. Krishna Savaliya | Dental Student
From the 2022–23 batch, Krishna pursued a Bachelor of Dental Surgery at AMC Dental College and Hospital. During a financially challenging period while preparing for NEET, she taught younger students alongside her studies. Her story reflected determination, responsibility and the courage to persevere.

11. Siddharth Bhuva | Data Scientist, Auxia
An alumnus of the 2020–21 batch, Siddharth secured AIR 171 in JEE Advanced and studied Computer Science and Engineering at IIT Bombay. He went on to work as a Data Scientist at Auxia in Bengaluru. He recalled how AVMA helped him adapt to English-medium education and build confidence through academic and extracurricular opportunities.

12. Pooja Shukla | Corporate Lawyer, Khaitan & Co.
From the 2018–19 batch, Pooja pursued a career in corporate law at Khaitan & Co. in Mumbai. Once a shy and underconfident student, she discovered her voice through school events and leadership opportunities. She also credited scholarship support and the IDIA network with helping her pursue a career in law.

13. Shreena Parmar | Assistant Sub-Inspector, Gujarat Police
An alumna of the 2016–17 batch, Shreena served in the Gujarat Police. She credited AVMA with helping her recognise her strengths, overcome her fears and develop values of kindness, politeness and helpfulness.

Alumni Connect

14. Krish Patel | Technology and Research, IIT Jodhpur
From the 2022–23 batch, Krish studied at IIT Jodhpur after clearing JEE Advanced. He published research in artificial intelligence and took on student placement coordination responsibilities. His journey reflected academic commitment, curiosity and the development of leadership skills.

More Than Achievements, A Sense of Belonging

As the alumni reflected on their journeys with respected Chairman, their stories revealed that transformation takes many forms. For one student, it may mean overcoming the fear of speaking before an audience. For another, it may mean adapting to a new language, pursuing a demanding professional qualification, entering a premier institution or discovering a vocation that contributes to society.

Behind these milestones were teachers who offered individual attention, opportunities that broadened aspirations and encouragement from Promoters that helped students persevere when the path ahead seemed uncertain.

The interaction with Shri Gautam Adani, Dr Priti Adani and Mrs Shilin Adani offered the alumni an opportunity to revisit these formative experiences and express their gratitude for the support that had helped shape their futures.

Their Shukriya was not simply a reflection on the past. It was an acknowledgement of the people, opportunities and values that had contributed to their growth and a reminder of the responsibility to carry those values forward.

Alumni Interaction: Practical Guidance for Class X

On 1 October 2026, alumni Ms Disha Rajendra Mishra and Mr Apurv Rajendra Mishra met Class X students for a session on academic choices and career planning. Disha, Founder and Director of Zahra Space Pvt. Ltd., secured International Rank 1 in the 4th National Cyber Olympiad. Apurv, Co-founder and CEO, was the school topper in the CBSE Class XII examination in 2006 and secured All India Rank 90 in the National Cyber Olympiad.

The alumni discussed managing academic pressure, identifying personal interests, choosing an academic stream, developing study habits and learning from mistakes. Their practical suggestions encouraged students to approach examinations and future decisions with greater clarity and confidence.

From School Bells to College Dreams

Ms. Kajal, a member of the 2024–25 Class XII batch and currently pursuing Political Science Honours at Gautam Buddha University, reconnected with students to share her college journey.

She spoke about her experiences, challenges, setbacks, and achievements, offering students an honest perspective on the transition from school to higher education. Her interaction encouraged learners to stay persistent and approach their goals with confidence.

Can Humans Change an Asteroid's Path?

Ms. Anam, an alumna from the 2024–25 Class XII batch who is pursuing B.Sc. studies at Shree Dronacharya College, Dankaur, conducted a session on planetary defence.

The session introduced students to how scientific research can help detect asteroids and explore ways of changing their trajectories. It opened questions about space science, scientific innovation and how researchers study potential threats from space.

Stories That Bring Us Together

As part of Alumni Vidya Daan, Ms. Khushi, an alumna from the 2024–25 Class XII batch who is pursuing B.Sc. studies at Shree Dronacharya College, Dankaur, conducted a storytelling session for students.

Through expressive narration and interaction, she encouraged students to listen, imagine, and engage with stories. The session also provided a warm opportunity for an alumna to reconnect with her school through learnin

Stay Inspired
Stay Connected

Behind every achievement lies a lesson that goes beyond recognition. A challenge builds resilience, a shared effort teaches responsibility, and an act of kindness deepens our understanding of humanity. These everyday experiences shape how young people see themselves and the world.

Education in Adani Foundation Schools is not just about achieving more; it is about becoming better human beings and making a meaningful difference wherever life takes us.
