

# ENZEURA

THE **ENERGY**, **ZEAL** AND **AURA** OF ADANI SCHOOLS

## Foreword

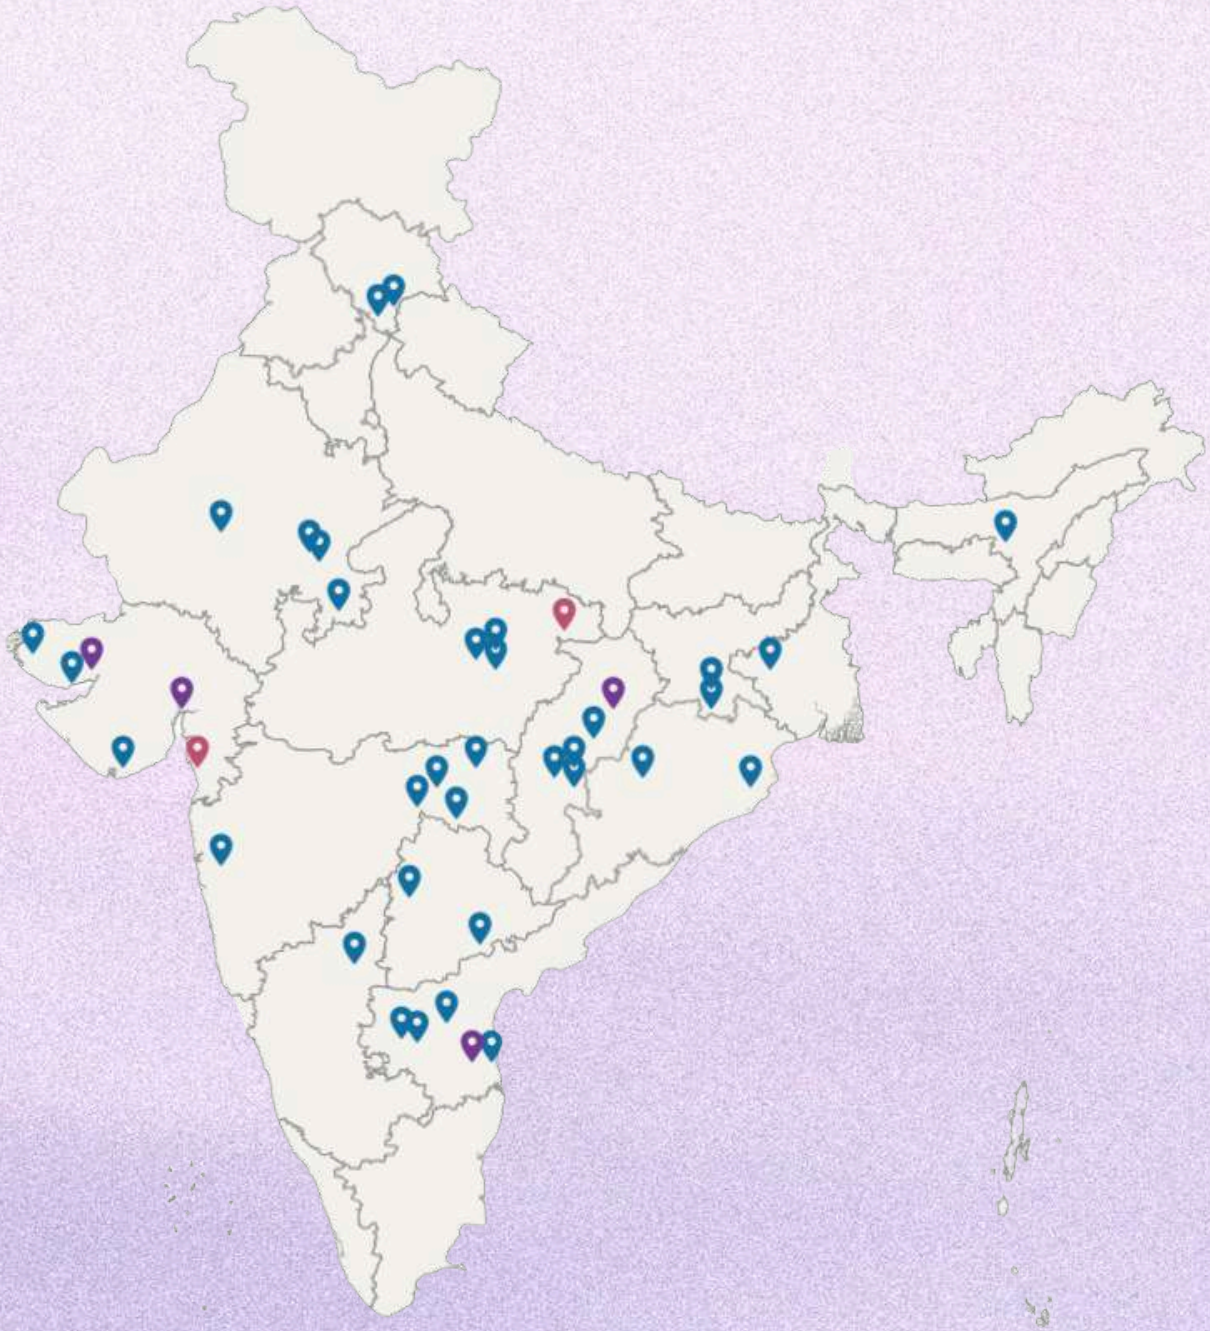

**ENZEURA** celebrates the spirit of Adani Schools - dynamic, forward-looking, and deeply human. The three-day Principals' Meet reaffirmed our Adani culture of purpose-driven excellence, blending innovation and technology with human heart, while empowering every principal, teacher, and student to grow and lead with confidence and convictions.

From championship victories to international recognitions, from inspiring collaborations to global partnerships, our schools are making their mark on every stage. Each story in this issue reflects our shared dream, to make every Adani School not just a place to learn, but a space to grow, to lead, and to shine with Indian values, integrity, curiosity, and resilience for the world ahead.

# Adani Foundation Schools Principals' Meet 2025 "Principals as Changemakers"

October 30- November 01, 2025

The **Adani Schools Principals' Meet 2025**, held from **October 30 to November 1, 2025**, in Ahmedabad, brought together principals and academic leaders from Adani Schools across India under the theme **"Principals as Changemakers."** The three-day programme provided a platform for collaboration, reflection, and innovation, empowering school leaders to drive meaningful transformation across campuses. Sessions focused on leadership development, technology integration, AI in education, child protection, communication, socio-emotional learning, inclusion and academic excellence. Eminent speakers from India and abroad inspired participants to envision inclusive, future-ready schools that nurture every child's potential. Guided by the visionary leadership of Dr. Priti Adani, Hon. Chairperson, Mrs. Shilin Adani, Hon. Trustee and Shri Vasant Gadhavi, Executive Director, the meet reaffirmed the Adani Foundation's commitment to shaping empowered, compassionate, and forward-thinking educators who are transforming schools into vibrant, future-focused learning ecosystems rooted in values, empathy, and excellence.

“

This Diwali, as we light the lamp of knowledge, let it ignite purpose, hope, and empathy within us. AI is an enabler - enhancing learning and leadership when powered by human connect. Under the Adani Foundation's nurturing umbrella, our schools stand for social impact, not profit. As education evolves, let us stay agile and compassionate, empowering every child to realise their potential and build a legacy of honesty and patriotism.

**Dr Priti G. Adani**  
Chairperson, Adani Foundation

“

Our schools stand on the soul of Indian values - Integrity, Respect, Care, Patriotism, and Community Partnership.

बच्चों में केवल सफलता ही नहीं, बल्कि संस्कार भी हों - दया, विनम्रता और देश-प्रेम।

Inclusion and empowerment of every learner and teacher are our mission and our moral duty.

**Smt. Shilin R. Adani**  
Trustee, Adani Foundation

## Adani Schools @ 2030 – Blending Technology with Human Connect”

**Google**  
for Education

The keynote address by **Shri Sanjay Jain, Head – Google for Education, India, on “Adani Schools @ 2030 – Blending Technology with Human Connect”** highlighted how AI and emerging technologies can enhance classroom learning, foster inclusion, and empower teachers, while keeping human connection, empathy, and emotional growth at the core of education.

Reinforcing this shared vision, Adani Foundation Schools announced a strategic collaboration with Google for Education to equip teachers and students with future-ready, technology-driven skills - enhancing creativity, collaboration, and enriching the overall teaching-learning experience across all Adani Foundation Schools.

## **"Strengthening Leadership in Adani Schools."**

We were privileged to have Dr. Sheela Ragavan, a respected educationist, psychologist, and leadership mentor, lead an engaging session on "Strengthening Leadership in Adani Schools."

Dr. Sheela shared her framework of contemporary leadership, highlighting the need to balance high performance with strong relationships to build vibrant, future-ready schools. She spoke about leadership as a journey of awakening potential, creating leaders at every level who work with purpose, empathy, and collaboration.

Her insights inspired our principals to nurture trust, ownership, and lead with both head and heart.

## Empowering Schools through Design & Innovation

Canva

The day was filled with creativity and excitement as our principals joined an engaging Canva workshop led by Ms. Sagari Chatterjee (Canva Education Lead – India) and Dr. Vishal Varia (Canva Certified Trainer).

Through hands-on activities, school leaders learned how Canva can make lesson planning, TLM creation, and school communication simpler, more innovative, and more enjoyable. It was wonderful to see everyone experimenting, sharing ideas, and exploring new possibilities.

We're happy to share that the Adani Foundation is now collaborating with Canva for Education to help teachers and students learn with greater creativity and confidence.

## Strengthening Child Safety across Adani Schools

Adani Foundation's schools were honoured to welcome Mr. Pradeep, Project Director, Project CACA, Social Axiom Foundation (NGO), who shared valuable insights on child safety across all Adani Schools.

Building on this collaboration, Adani Foundation and Project CACA have jointly developed a comprehensive Child Protection Policy for all Adani Schools.

The policy serves as a strong framework to safeguard every child's physical, emotional, and psychological well-being, fostering awareness, prevention, and protection at every level of school life.

Together, we are committed to creating safe, nurturing, enabling, and empowering learning environments for every child.

## Transforming Adani Schools as Inclusive Schools

The session on **“Transforming Adani Schools as Inclusion Schools”**, led by **Mr. Ben Gudgeon**, was one of deep reflection and inspiration. With warmth, wisdom, and humility, Mr. Ben invited the principals to look beyond policies and procedures and to see inclusion as the very soul of education.

Mr. Gudgeon spoke about creating schools where every child feels seen, valued, and celebrated for who they are. His stories of compassion in leadership and courage in reimagining systems deeply resonated with all present.

Now serving as Senior Director of IFIP (International Forum for Inclusion Practitioners), he shared transformative global practices and guided leaders to envision Adani Schools as places where inclusion is lived every day, in classrooms, corridors, and conversations.

“

I had some time in Adani Vidya Mandir Ahmedabad. It was a beautiful experience and I found myself becoming quite emotional at times. What has been achieved in that school is nothing short of extraordinary. I don't think I have ever encountered pupils who are so confident, charming and utterly proud of their school. It is most deservedly one of our global flagship schools.

**Mr Ben Gudgeon**  
AVMA Changemakers Visit

The session touched hearts and minds alike, reminding everyone that true inclusion begins when we see each learner not as a category, but as a unique story of promise and possibility.

# COLLABORATION

## International Collaborations for Inclusive and Innovative Education

---

At Adani Foundation Schools, we partner with global leaders to blend innovation and inclusion, empowering teachers and students to learn creatively, grow confidently, and thrive with purpose.

Our collaboration with **Google for Education** equips teachers and students with future-ready digital tools that foster creativity, collaboration, and deeper, more meaningful learning experiences. Through **Canva for Education**, we are nurturing design-driven classrooms where imagination, innovation, and academic as well as administrative efficiency thrive.

Partnering with the **International Forum of Inclusion Practitioners (IFIP)**, represented in 138 countries, reinforces our commitment to building inclusive classrooms where every learner feels valued and supported.

Together, we continue to build classrooms that nurture curiosity, confidence, and compassion, empowering every learner to thrive in a changing world, while staying rooted in the values that make our education meaningful, humane, and future-ready.

We are immensely proud to share that **Adani Vidya Mandir, Ahmedabad (AVMA) shone brightly at the World Inclusion Congress 2025 in Almaty, Kazakhstan.**

Our esteemed principal, Dr Shilpa Indoria represented the school and the Adani Foundation, presenting AVMA as a successful and transformative model of inclusive education. She highlighted the school's equity-driven philosophy and the life-changing impact of its work with students from economically humble homes. Her presentation was warmly received by delegates representing more than 100 countries.

This recognition reaffirms our commitment to creating an environment where every child feels valued, heard, mentored, and empowered to succeed. As one of our four flagship schools offering cost-free quality education, AVMA truly embodies the Adani Foundation's mission to drive social progress through education.

Adding to our pride, **AVMA has been featured among the '50 Inclusive Schools of the World' in a special publication by the International Forum of Inclusion Practitioners (IFIP), a remarkable moment of recognition.**

Let's celebrate the dedication of the AVMA team and the success of our resilient students.

## Adani Vidya Mandir, Ahmedabad – Among India's Top 2 Schools for Community Social Impact

We are proud to share that **Adani Vidya Mandir, Ahmedabad (AVMA)** has been recognised among the Top 2 Schools in India for the Community Social Impact Award 2025 by EducationWorld Grand Jury India School Rankings.

AVMA has also been honoured among the Top 3 Philanthropic Schools in India at the EducationWorld Awards 2025, and proudly holds the position of Rank 1 in Gujarat and Ahmedabad.

This recognition celebrates AVMA's unwavering commitment to inclusive and transformative education, empowering children from humble homes through compassion, character, and quality learning.

## Celebrating Our Teacher's Talent

"When passion meets expression, poetry is born."

A proud moment for **Adani World School, Krishnapatnam** as our Telugu Teacher, **Ms. Sathyavani**, was honoured at the **Grand Telugu Literary & Cultural Festival** organized by Lepakshi Foundation at Krishna Chaitanya Degree College, Nellore.

Her moving poem "వైద్యం - వైదుల ఋణం" (The Debt to Doctors) was adjudged "Best Poem", earning her a Certificate of Appreciation and recognition as a guest of honour at the event.

The festival was graced by eminent poets and artists, including Bal Sahitya Academy Awardee Gangishetti Shivakumar.

## Changemakers

**"Empowering young minds through guidance and grit!"**

Mr. Ajitkumar Parab, Chief Commanding Officer, Indian Coast Guard, Krishnapatnam, interacted with the students of Classes 8, 9, and 10 of Adani World School, Krishnapatnam, AP, sharing his inspiring journey how he got selected in the Indian Navy.

His inspiring session encouraged students to dream big and stay disciplined. He emphasized the importance of reading to build vocabulary and broaden thinking, and gave step-by-step guidance on academic preparation, physical fitness, and mental strength.

# STEM *for* Bharat

**Adani Vidya Mandir, Ahmedabad (AVMA)** hosted a **Green STEM District-Led Deliberation** on its campus, bringing together 16 schools to explore how Science, Technology, Engineering, and Mathematics (STEM) can help tackle the global challenge of climate change.

The event featured eminent scientists from the Physical Research Laboratory (PRL), Ahmedabad, Dr. Vishal Joshi (Astronomy & Astrophysics Division) and Dr. Harish Gadhavi (Space & Atmospheric Sciences Division). Both experts inspired participants to think critically about climate change and demonstrated how scientific research and innovation can drive sustainable solutions.

Dr. Vishal Joshi emphasized that the first step toward climate action is to “change the mindset,” encouraging educators and students to adopt a problem-solving and solution-oriented approach.

STEM-trained teachers of AVMA, who received advanced training from NIE Singapore, showcased practical demonstrations linking STEM principles with real-world environmental concerns. Their sessions encouraged participating schools to create prototypes and sustainable models addressing climate challenges.

The deliberation concluded with a shared commitment to using STEM as a catalyst for climate action.

## From Track to Triumph

### National-Level Selection

A proud moment for **Adani Public School, Mundra!**

Master Prashmit Purkayastha has earned a place at the SGFI National Level Athletics Camp in the Under-19 category for the 200m Boys Race, clocking an impressive 24.03 seconds.

His journey is a reflection of consistent effort, focused training, and an unyielding spirit. With every stride, Prashmit moves closer to his dream of representing India, inspiring fellow students to pursue excellence with commitment and courage.

## When Young Minds Dare to Build

When young minds dare to build, even cardboard turns into machines of innovation.

Three enthusiastic students, Manan Tak (Class VI), Harshit (Class VII), and Virendra Singh (Class VII), of Ambuja Public School, Rabriyawas, Rajasthan built a working model of a tractor using everyday materials.

Their model showed how machines move and steer, bringing classroom learning to life in a hands-on way. What made it truly special was the teamwork, creativity, and problem-solving the students displayed throughout the process.

## DAV Sr. Sec Public School<sup>®</sup> Barmana, Shines Bright at State-Level DAV Sports Meet 2025

DAV Barmana's students made their mark with outstanding performances at the DAV State-Level Sports Meet held in Himachal Pradesh, showcasing excellence, teamwork, and sportsmanship across multiple disciplines.

### Football

- U-14 Boys: Champions | Mukul – Best Goalkeeper | Saransh – Best Player
- U-17 Boys: Runner-up | Ishan – Best Player
- U-19 Boys: Runner-up | Aditya Raj Singh – Best Player
- U-19 Girls: Qualified for Nationals

### Volleyball

- U-19 Boys: Winners
- U-17 Boys: Winners
- U-14 Girls: Winners

### Handball

- U-17 Girls: Runner-up

### Chess

- U-17 Girls: Runner-up
- U-19 Boys: Runner-up

### Badminton

- U-17 Girls: Runner-up

### Wushu

- U-14: 1 Gold, 6 Silver
- U-17 Girls: 3 Gold
- U-17 Boys: 4 Gold, 1 Silver, 1 Bronze
- U-19 Girls: 1 Gold
- U-19 Boys: 3 Gold, 1 Silver

## Shining Through Strength Achievements in Martial Arts and Kickboxing

Students of Shram Niketan School, Jamul, run by the Adani Foundation, displayed outstanding discipline, determination, and sportsmanship at various state-level competitions.

At the State-level Kurash Martial Arts Competition, eight of our students made us proud by winning 5 Gold, 1 Silver, and 2 Bronze medals — a stellar achievement that set a new record for the school.

Continuing their winning streak, our talented athletes also excelled at the State-level Judo Competition, securing 1 Gold, 2 Silver, and 2 Bronze medals, further strengthening the school's reputation in sports excellence.

Adding a golden feather to these achievements, Miss Asmitia Yadav reached a remarkable milestone by winning a Gold Medal in Kickboxing under the Khelo India "ASMITA" Leagues - an initiative by the Sports Authority of India (SAI) that promotes women's participation and empowerment through sports. <sup>15</sup>

### **Vedansh Qualifies for State Athletics Championship**

Vedansh Tripathi, a bright Class 5 student of Adani Vidyalaya, Kawai (Rajasthan), has earned a place in the State Level Athletics Championship (U-14 Boys, 400m) after a remarkable performance at the district level.

### **Kartikkeya Qualifies for State-Level Table Tennis Trials**

Master Kartikkeya Ramesh Deshetti, a Class VIII student of Mount Carmel Convent Sr. Sec. School, Cement Nagar, Ghugus, managed by the Adani Foundation, has qualified for the State-Level Table Tennis Trials.

At the Divisional School Table Tennis Competition 2025–26 held at Gadchiroli, Maharashtra, Kartikkeya emerged as the top performer among six districts, showcasing exceptional skill and determination.

### **Adani Vidya Mandir Krishnapatnam, AP, Shines at Karate Nationals 2025**

Thirteen talented students from Adani Vidya Mandir, Krishnapatnam (AVMK) brought immense pride to the school by excelling at the National Level Keny Shito-Ryu Karate Championship 2025, held in Nellore, Andhra Pradesh.

Demonstrating remarkable discipline, determination, and skill, the team achieved outstanding results:

3 students secured First Place

3 students won Second Place

7 students clinched Third Place across various categories.

## Grandparents' Day Celebration – “Beep-Boop Bonding: A Robotic Adventure with Grandparents”

Grandparents' Day was celebrated with great enthusiasm and joy by the Pre-Primary wing of **Adani Public School, Mundra, Gujarat**. Excited grandparents and their equally thrilled grandchildren came together to bridge generations through learning, laughter, and love.

The theme - “Beep-Boop Bonding: A Robotic Adventure with Grandparents” - beautifully connected tradition with technology. Engaging activities like Retro to Robot Rhythm, Coding Together, Robot Dancing, and Talent Bytes filled the day with excitement and warmth.

The celebration was a heartfelt reminder of the wisdom, values, and unconditional love grandparents bring into our lives. It also highlighted the importance of staying connected to our roots, family, and culture.

The senior members felt cherished, while children created memories to treasure, complete with thoughtful, personalized takeaways made by the grandparent–grandchild duos.

## Where Every Diya Lights a Dream

"This Deepotsav, we didn't  
just light diyas,  
we lit dreams."

At Adani Vidya Mandir, Ahmedabad, education goes beyond classroom learning, it reaches homes, nurtures confidence, and builds livelihoods.

What began as a simple Parent-Teacher Meeting turned into a heartfelt celebration of learning, livelihoods, and love. It became a meeting of hearts and hopes, where teachers and parents rejoiced not only in the progress of children but in the empowerment of families, a true reflection of the AVMA spirit:

"A Place to Learn, A Space to Grow."

Parents who were once hesitant learners proudly became entrepreneurs, setting up stalls filled with handmade crafts, festive delicacies, and creative art born from AVMA's skill-building and livelihood training initiatives.

Students joined their parents, learning through experience the values of entrepreneurship, teamwork, and financial literacy. From managing stalls and engaging with customers to budgeting and understanding value, every moment became a lesson in confidence and collaboration.

Each diya sold was more than a symbol of light; it was a spark of self-reliance. Each smile shared was a story of transformation.

# AlumniConnect

## AVMA Alumni Lead with Heart at Sathwaro Mela 2025

The **Sathwaro Mela 2025**, an initiative under the **Adani Foundation's Sathwaro Project**, brought together artisans, traditions, and communities in a celebration of creativity and culture. The project aims to preserve India's rich art and craft forms while empowering artisans through training, knowledge, and livelihood opportunities.

Our AVMA Alumni Volunteers stood out with their energy, initiative, and teamwork ensuring the event's smooth success. Their wholehearted contribution reflects not just commitment, but the enduring values of service, empathy, and gratitude that define every AVMA alumnus.

**Project Utthan** is dedicated to **enhancing foundational literacy and numeracy among students in government primary schools**, focusing on holistic school development and empowering Priya Vidyarthis (progressive learners). A dedicated Utthan Sahayak (supplementary teacher) is appointed in each school to act as a catalyst and facilitator of this transformation. Key elements of Utthan include making learning joyful, providing necessary resources and facilities, fostering literacy, numeracy and life skills and building teachers' capacities. Special emphasis is placed on nurturing Priya Vidyarthis and celebrating their progress. The initiative also strengthens government primary schools to make them a preferred choice for lower-middle-class families seeking quality education for their children.

**Outreach of Utthan : 2025-26**

**Sites : 11**

**Schools : 1209**

**Students : 1, 79,831**

**Utthan Sahayaks: 450+**

In October, Project Utthan continued its mission to strengthen foundational learning in Mumbai's BMC schools. From October 6-8, Cluster Heads and Coordinators, in collaboration with the BMC Education Department, oriented nearly 2,000 government teachers of Classes 2-4 on effectively using the FLN Assessment Tool to identify and support progressive learners. Teachers were guided on partnering with Utthan Sahayaks to ensure every child receives personalized academic support.

Later in the month, the "Diwali with the Real Heroes" celebration honoured over 300 Utthan Sahayaks, the changemakers driving learning at the grassroots. Senior leaders from Adani Electricity joined in, sharing encouragement and reaffirming the collective vision of transforming schools into joyful, inclusive learning spaces.

## Stay Inspired Stay Connected

As we move ahead with the times and embrace technology, our heart stays rooted in human connection. At Adani Foundation Schools, we strive to be mentors and enablers, not authorities, walking beside our students in their journey of growth. We listen, we care, and we celebrate every child's story and dream. This warmth and togetherness make our schools set apart. We look forward to meeting again on December 5, 2025, with more smiles, stories, and celebrations of what makes us truly Adani.
