Adani Vidya Mandir

A Place to Learn; A Space to Grow

Ahmedabad, Bhadreshwar, Surguja &
Krishnapatnam

Foreword

This book celebrates the vision, dedication, and transformative impact of Adani Vidya Mandir, a revolutionary change through quality education for children in need. Committed to bridging educational gaps, these schools are remarkable institutions where dreams, once beyond reach, become achievable. Through steadfast mentorship, academic excellence and a nurturing environment, these institutions light the path for young minds to grow, explore, and believe in their potential. This book captures their journey, their aspirations, and the profound influence of a community with a firm belief that every child deserves the chance to shine.

Warm Regards,

Shri Vasant Gadhavi

Executive Director, Adani Foundation

Acknowledgement

This book owes its existence to the dedication of many. Our sincere gratitude goes to the Adani Foundation's senior management and school teams for their unwavering support in realizing this vision. We are equally grateful to the communities who shared their stories, adding invaluable depth. To all contributors - your time, insights, and support have made this book a true celebration of Adani Vidya Mandir's mission. Thank you.

Visionary Voices

In 2008, a dream to empower meritorious yet underprivileged children in Ahmedabad was born. This vision, led by our Chairman Gautam Adani, aimed to unlock the potential of aspiring minds from underserved communities. Today, the Adani Vidya Mandir model stands as a testament to that vision and a beacon of hope for countless young lives.

Our schools in Ahmedabad, Bhadrashwar, Surguja and Krishnapatnam have evolved into nurturing environments where students blossom not only academically but in all aspects of their development. Each school thrives with a deep understanding of its local context, while remaining firmly rooted in the ethos of the Adani Vidya Mandir model.

Over the years, more than 1,000 graduates have embarked on successful journeys, excelling in diverse fields and making their mark globally. They are building brighter futures not just for themselves but for their families and communities. I am confident that, together, we will continue to elevate our schools, fostering a legacy of transformation and excellence.

Dr. Priti G.
Adani

Chairperson, Adani Foundation

Visionary Voices

Adani Vidya Mandir stands as a beacon of value-based education, where learning is deeply rooted in honesty, integrity, empathy, and respect – the core values that shape individuals, institutions, and nations. Our mission is to provide every child with personal attention, fostering an environment where they excel academically, thrive in extracurricular pursuits, and build resilience to face life's challenges.

We take immense pride in witnessing how this holistic approach is shaping our students into compassionate individuals and responsible citizens, contributing to happier families, a stronger society and a resilient nation.

Mrs Shilin
R. Adani

Trustee, Adani Foundation

01

Adani Vidya Mandir:

A Legacy of Learning

SDG 1 No Poverty

AVM serves students predominantly from economically disadvantaged backgrounds; enhancing their employability and productivity, contributing to economic growth.

SDG 2 Zero Hunger

AVM provides free meals to students, supporting their nutritional needs and food security. AVM fosters awareness of healthy eating habits, contributing to their overall health and academic success.

Vision

To be recognized as a school with a distinction, providing education to enable young children to become high achievers in chosen fields and responsible citizens, thus leading to man-making and nation-building.

To develop a global mind-set that can build unique capabilities, which will transcend cultures in order to create value for self and society.

Mission

To provide cost-free quality education to the children of economically challenged families, who have high intelligence and skills, but not the opportunity to explore and expand them to build a secure life.

To recognize and enable such students to reach at definite stature in their chosen fields.

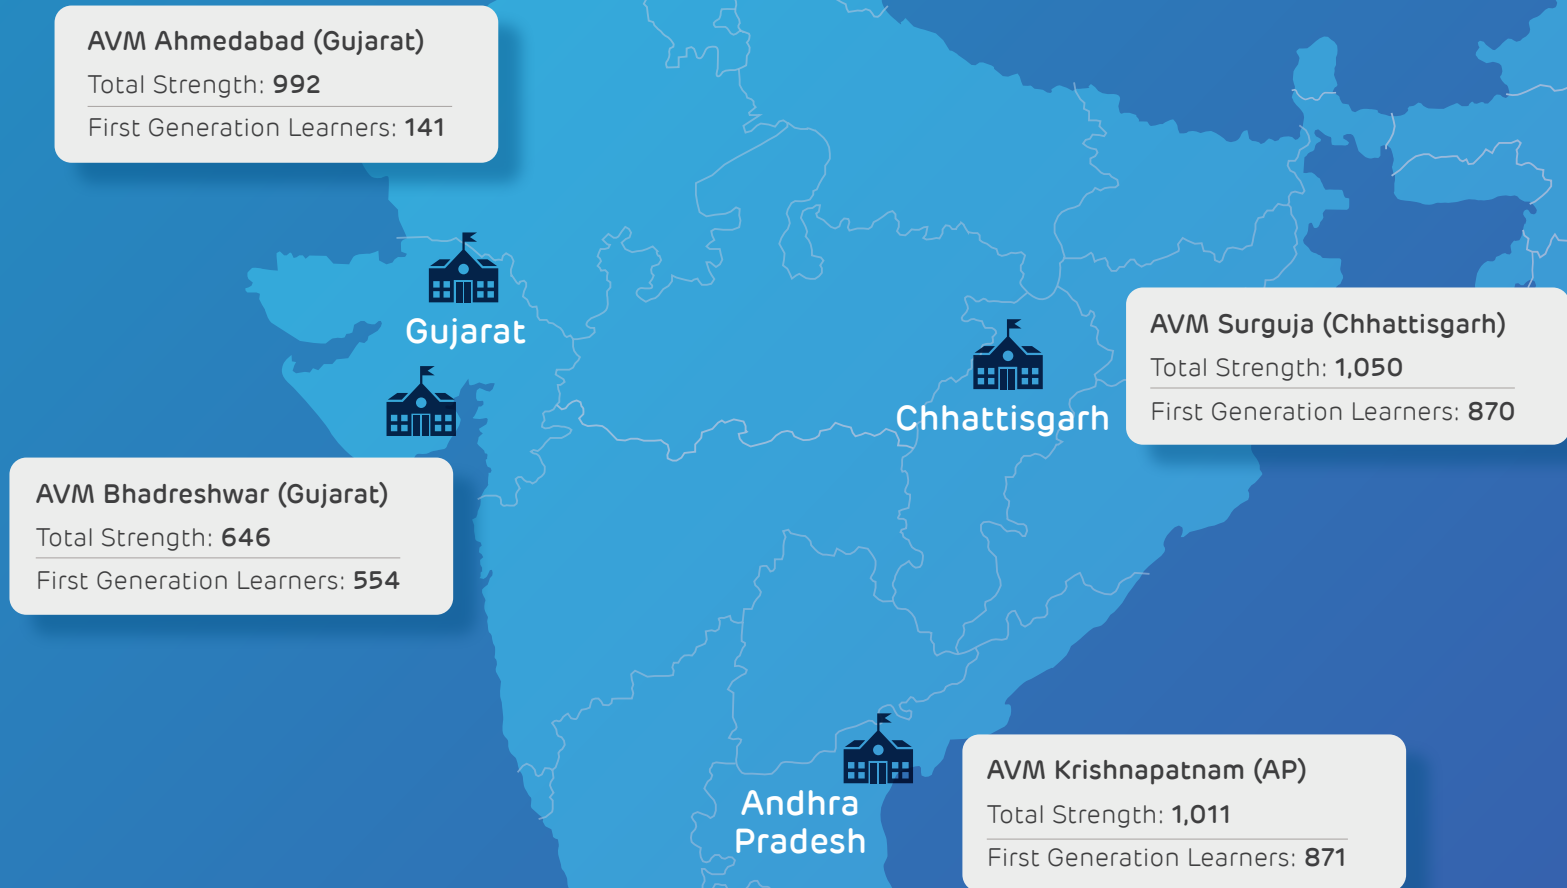

To facilitate the students' progress in academics as well as co-curricular activities. To undertake special initiatives in order to reach out to every student admitted, in order to bring out the best in them.

The first **Adani Vidya Mandir (AVM)** Ahmedabad was inaugurated on November 30, 2009, by **Shri Narendra Modi**, the **Hon. Prime Minister**, who was then the Chief Minister of Gujarat.

Presence of Adani Vidya Mandirs (AVMs) Across India

Journey of Adani Vidya Mandir

The journey of Adani Vidya Mandir (AVM) began with a visionary dream: to empower India's future by nurturing its children. The school was founded to provide quality education to underprivileged children, ensuring that every child can learn, dream, and strive for excellence.

Over the years, AVMs have developed not only academically proficient students but also socially aware individuals with strong Indian values.

Journey of Adani Vidya Mandir

2008

AVM Ahmedabad

CBSE, Co-ed English Medium Day School: Serving disadvantaged communities in Ahmedabad.

2012

AVM Bhadreshwar (Gujarat)

Gujarati Medium State Board Day School: Dedicated to first-generation learners, especially from fishermen communities.

2013

AVM Surguja (Chhattisgarh)

CBSE, English Medium Day School: Primarily catering to tribal children.

2018

AVMA: The first private school in Ahmedabad to receive NABET Accreditation under the Quality Council of India.

2019

AVMB: The first state board school in Gujarat to achieve NABET Accreditation under the Quality Council of India.

AVM Krishnapatnam (Andhra Pradesh)

English Medium State Board School: Focused on the educational needs of fishermen communities.

2024

AVM nurtures over **3500+ students** across four schools.

Education For The Most Deserving

As Adani Vidya Mandirs grow, their dedication to foundational principles remains unwavering. The schools serve as sanctuaries of growth and hope, exemplifying what can be achieved through vision, compassion, and action. The journey of AVMs continues, aiming **to empower every child and shape India's future through education.**

Pillars of Commitment

Quality

AVMs are dedicated to delivering high-quality education, evidenced by NABET accreditation for its Ahmedabad and Bhadreshwar campuses.

Excellence

The schools maintain the highest academic standards, continuously improving curricula and teaching methods, resulting in 100% pass rates for 10th and 12th-grade board exams.

Fulfilling Aspirations

Parents have shifted from skepticism to seeing education as essential for their children's future, creating a community-wide appreciation for education.

Commitment to Nation Building

AVMs aim to break the cycle of poverty in underprivileged communities by fostering change and empowering individuals through education and promoting skill development and sustainable livelihoods.

Through these commitments, Adani Vidya Mandirs are making a **lasting impact** and **shaping a brighter future** for India.

02

Adani Vidya Mandir:

Nurturing Dreams, Enabling Futures

SDG 6 Clean Water & Sanitation

The students of AVMs lead community programs to promote sanitation and hygiene, enhancing overall well-being.

SDG 7 Affordable & Clean Energy

The schools adopt sustainable practices like rainwater harvesting and solar energy to support environmental conservation.

SDG 12 Responsible Consumption & Production

Through awareness campaigns and recycling initiatives, AVMs achieve near-zero food waste daily, promoting responsible consumption.

Adani Vidya Mandirs (AVMs) are co-educational institutions serving marginalized communities, offering free education to thousands of first-generation learners from underserved backgrounds. AVMs open doors to knowledge, empower individuals and help break the cycle of poverty.

AVMs are lifelines for children in communities where education was once just a dream, allowing first-generation learners to envision a brighter future.

Key Features

Supportive **learning environment** with advanced technology and well-trained educators.

Holistic education enhancing academic performance and well-being.

Focus on **critical thinking, teamwork, and values.**

Bridge learning gaps and prepare students for successful careers.

Facilities across the campuses

Smart + Inclusive & green classrooms

Well stocked Libraries and Quiet Reading Spaces

Computer and Science Labs including 3D Lab & Innovation labs

Art and Music Room, Artistic Mind and Hands

Auditorium & Conference Room

Sports fields and Spacious Playgrounds

Healthy Meals provided at no cost

Medical Room

Counseling Services

School pick up and drop at no cost

Student / Family Demographics

Students come from diverse socio-economic backgrounds, including:

Fishermen and tribal communities

Daily wage laborers and seasonal workers

Semi-skilled workers (plumbers, auto drivers, mechanics, etc.)

An impact assessment study by a reputed external agency shows that AVMs provide educational opportunities for children from the most underprivileged communities, where families earn less than ₹ 100 per day.

The Adani Foundation's investment on these meritorious students alleviates financial burdens, bringing hope and relief to families.

03

Enabling Dreams

SDG 3 Good Health and Well being

The students of AVMs actively participate in community health awareness campaigns, promoting the importance of overall well-being.

SDG 5 Gender Equality

AVMs ensure at least 50% female student enrolment and empower women through leadership and personal development activities.

SDG 10 Reducing Inequalities

AVMs promote inclusion by admitting students from diverse backgrounds. The "No Student Left Behind" policy of AVMs ensures equal opportunities for all, minimizing inequalities in education and access.

Strengthening Community Relationships

AVMs build strong ties with the community through regular meetings, home visits, and dialogue with parents, fostering trust and creating a supportive environment for students.

Building Strong School-Parent Partnerships

Through Parent-Teacher Associations (PTAs) and empowerment sessions, AVMs involve parents in decision-making processes and equip them with tools to support their children's education.

Enhancing Skills and Competencies

AVMs focus on holistic development, encouraging participation in sports, arts, and extracurriculars. The school also provides counseling and resources to guide students in their academic and career paths for long-term success.

04

Quality Education

4 QUALITY EDUCATION

SDG 4 Quality Education

Adani Vidya Mandirs (AVMs) are dedicated to delivering high-quality education to marginalized communities through innovative and inclusive teaching methods. By addressing foundational gaps and fostering a supportive environment, each student receives personalized attention to reach their full potential.

Learning Pedagogies

Individual Learning Plans

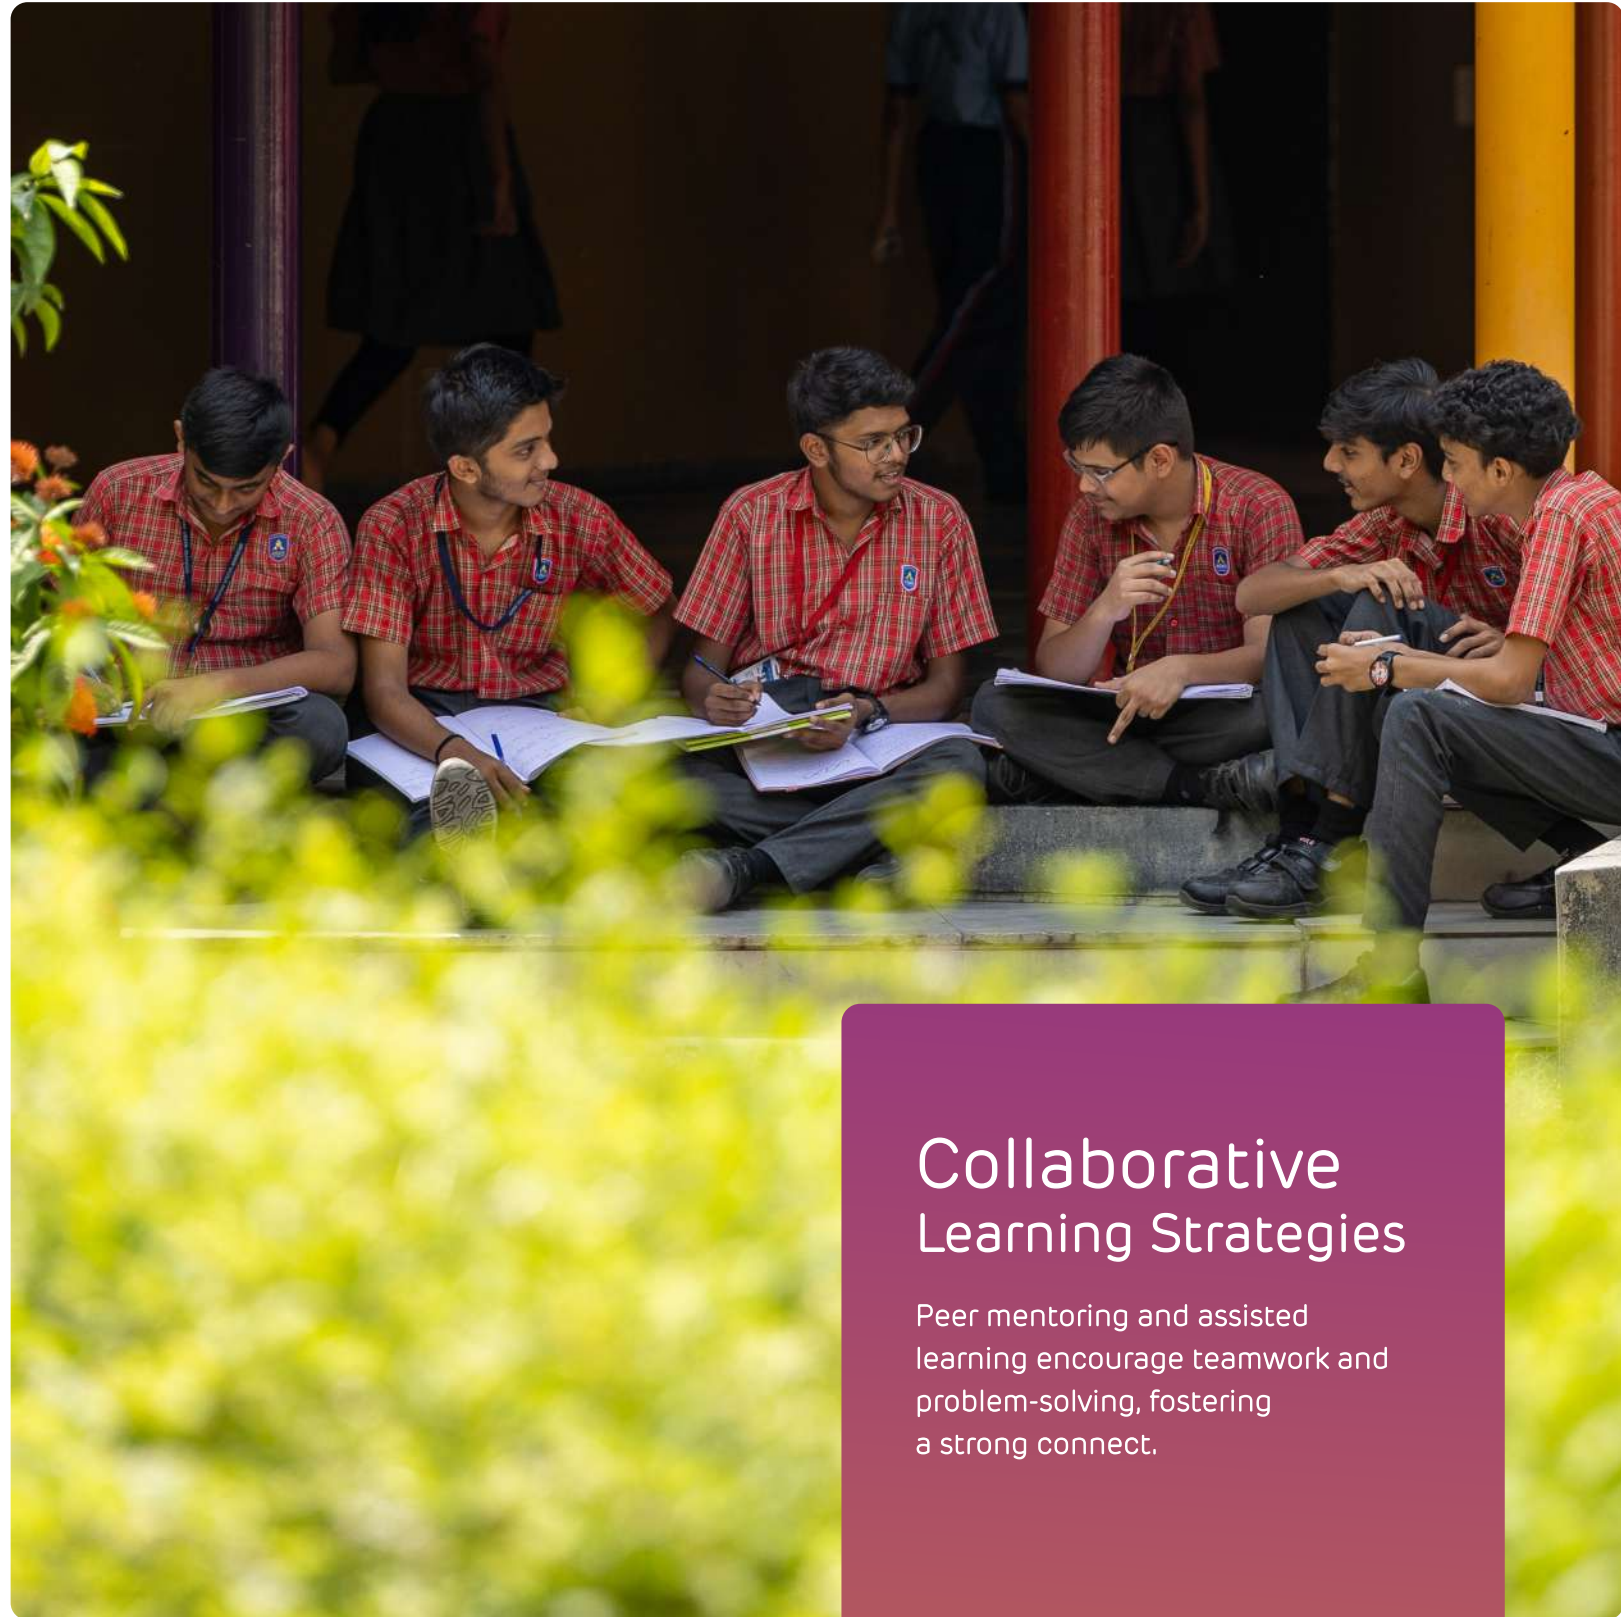

AVMs implement tailored Individual Education Plans (IEPs) and Foundational Literacy and Numeracy (FLN) classes to strengthen essential reading, writing, and math skills.

Integrated Educational Approaches

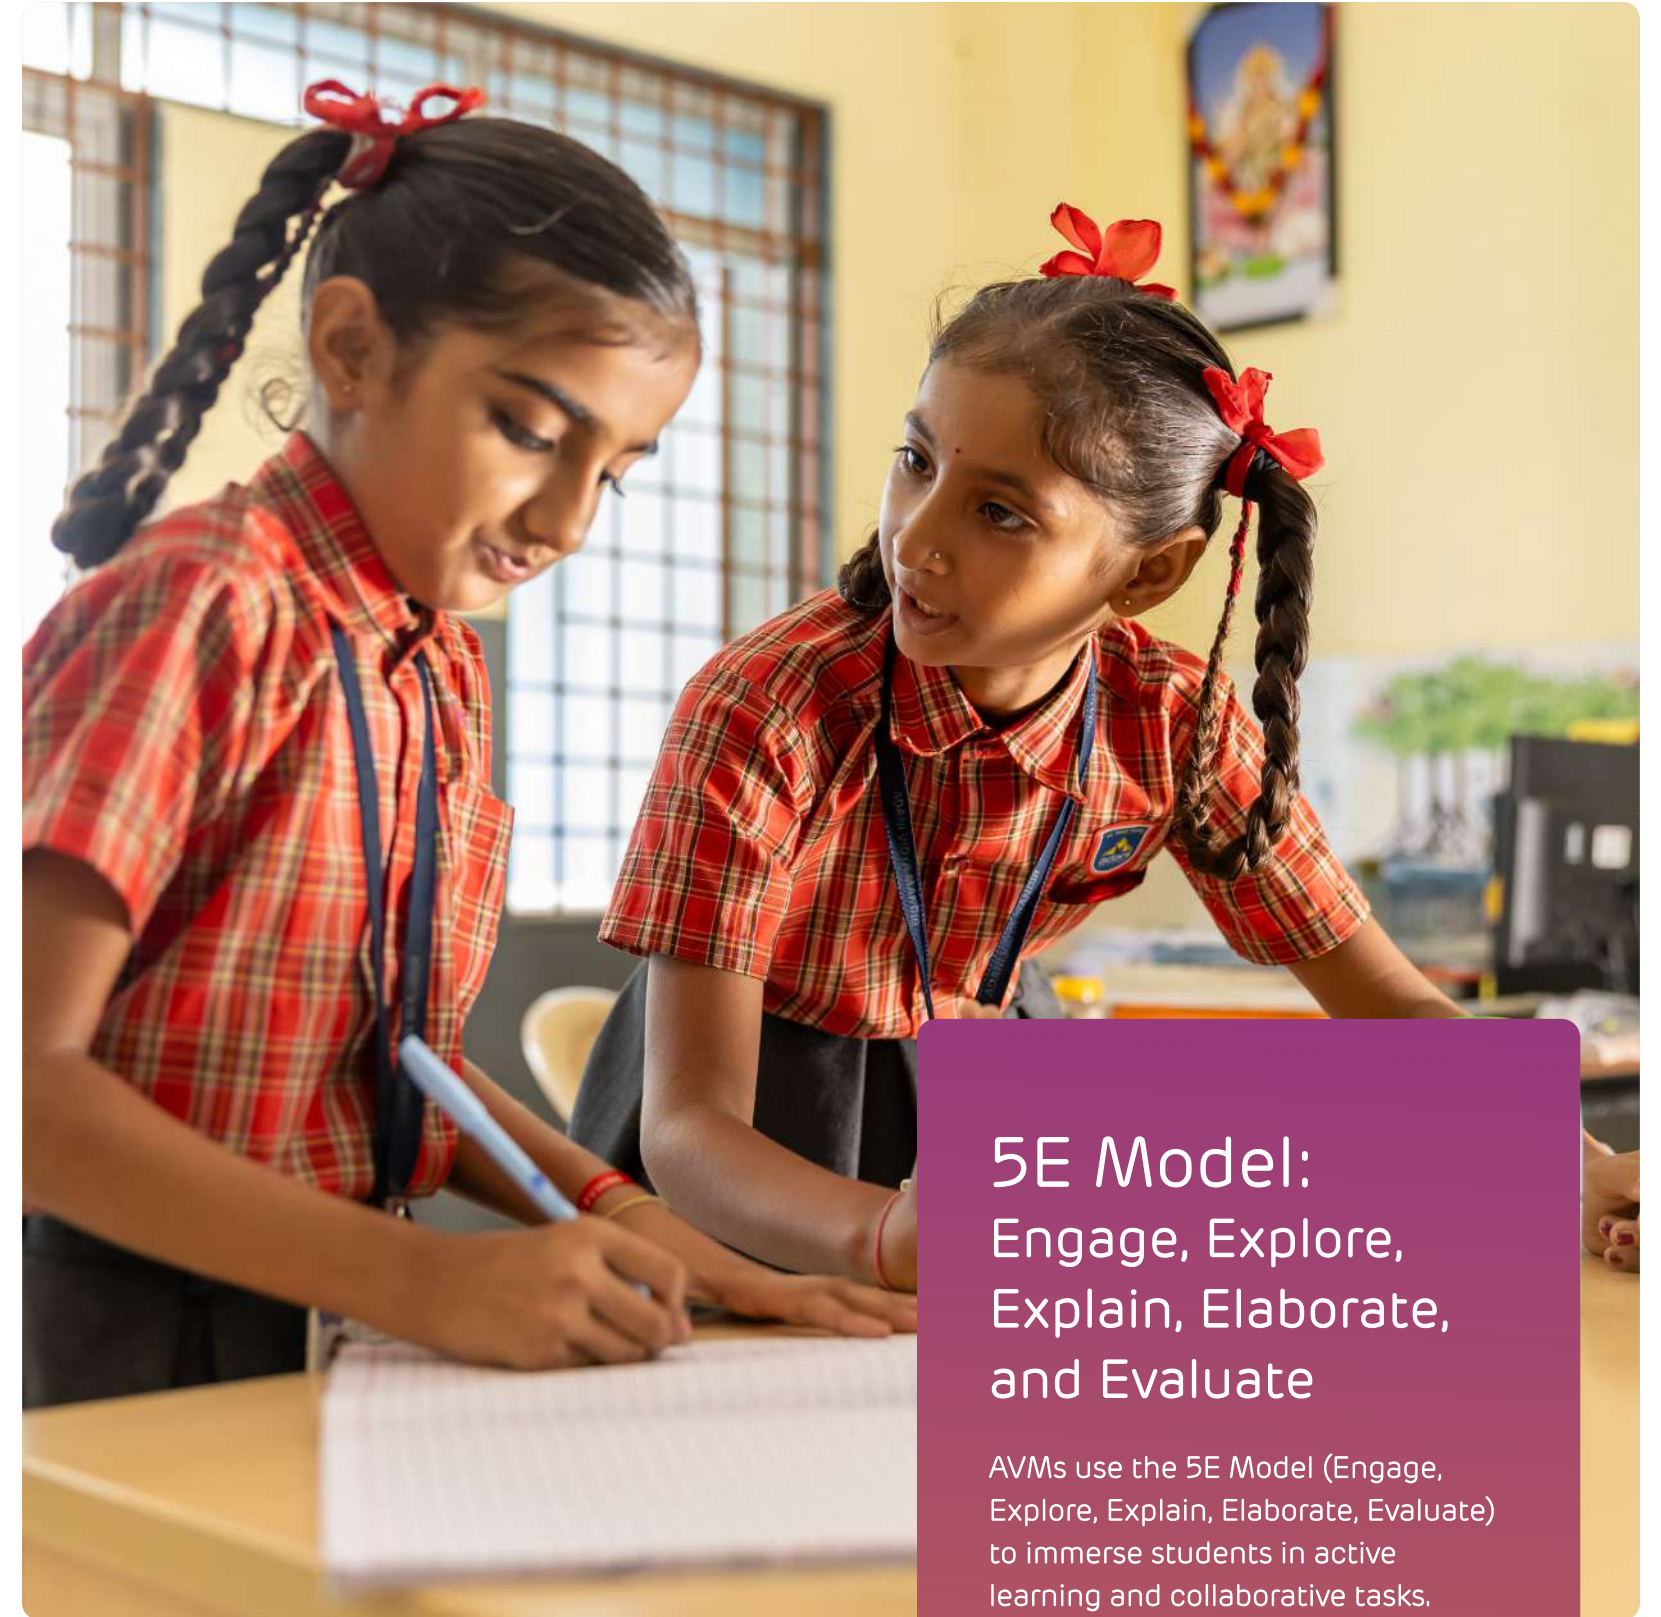

Real-world experiences through excursions and a focus on Listening, Speaking, Reading, and Writing Skills (LSRW) enhance communication and literacy development.

Collaborative Learning Strategies

Peer mentoring and assisted learning encourage teamwork and problem-solving, fostering a strong connect.

5E Model: Engage, Explore, Explain, Elaborate, and Evaluate

AVMs use the 5E Model (Engage, Explore, Explain, Elaborate, Evaluate) to immerse students in active learning and collaborative tasks.

Constructivist Learning Approaches

AVMs integrate innovative learning methods such as Peer Tutoring, Predict-Observe-Explain (POE), Project-Based Learning (PBL), and AF's STEM program, promoting hands-on, experiential education. These approaches cultivate critical thinking, innovation, and real-world connections. Through collaborative, scaffolding, inquiry-based, and problem-solving frameworks, students gain essential 21st-century skills transforming them into solution providers.

Inquiry-Based Learning

Students engage in research, creative writing, and publication of research projects, fostering creativity, innovativeness and confidence.

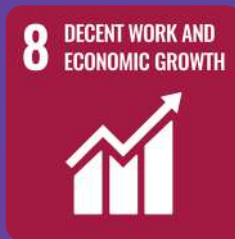

Nurturing a Positive Mindset and Future Orientation

AVMs integrate career planning and positivity sessions into the curriculum, preparing students to confidently explore future opportunities.

05

Fostering Innovation and Sustainability

SDG 8 Decent Work & Economic Growth

Surveys show that many AVM alumni achieve higher incomes than their parents or continue their education, accessing better career opportunities and contributing to economic advancement.

SDG 9 Industry, Innovation & Infrastructure

AVMs integrate STEM education to encourage students to solve real-world problems and research cutting-edge technologies, driving innovation and progress.

SDG 11 Sustainable Cities & Communities

Students of AVMs develop sustainable solutions, like devices that convert mechanical to electrical energy, with 29 projects submitted to the Atal Innovative Marathon 2023-24.

Celebrating the Indian Heritage

AVMs are dedicated to preserving Indian values and culture. Festivals are celebrated to instill love, duty, and respect for our Nation's rich heritage. Weekly meditation and Yoga sessions emphasize inner peace and moral integrity, fostering well-being.

Lessons Beyond the Classroom

At AVMs, learning extends beyond the pages of textbooks. Through regular Field Trips, the Changemaker Series, and Community Service, students engage with the world in meaningful ways. Leadership shines through student-led projects and club activities, while sustainability initiatives foster a deep sense of responsibility. Every experience becomes an opportunity to connect, grow, and make a lasting impact on the communities around them.

Community Engagement

The Students of AVMs actively participate in social movements, taking initiative in community projects. The school also strengthens bonds with the local community by inviting village leaders and organizing events like the Community Talent Show. The educators of AVMs regularly visit students' homes to understand and encourage them, strengthening the partnership with parents.

A Legacy of Giving Back

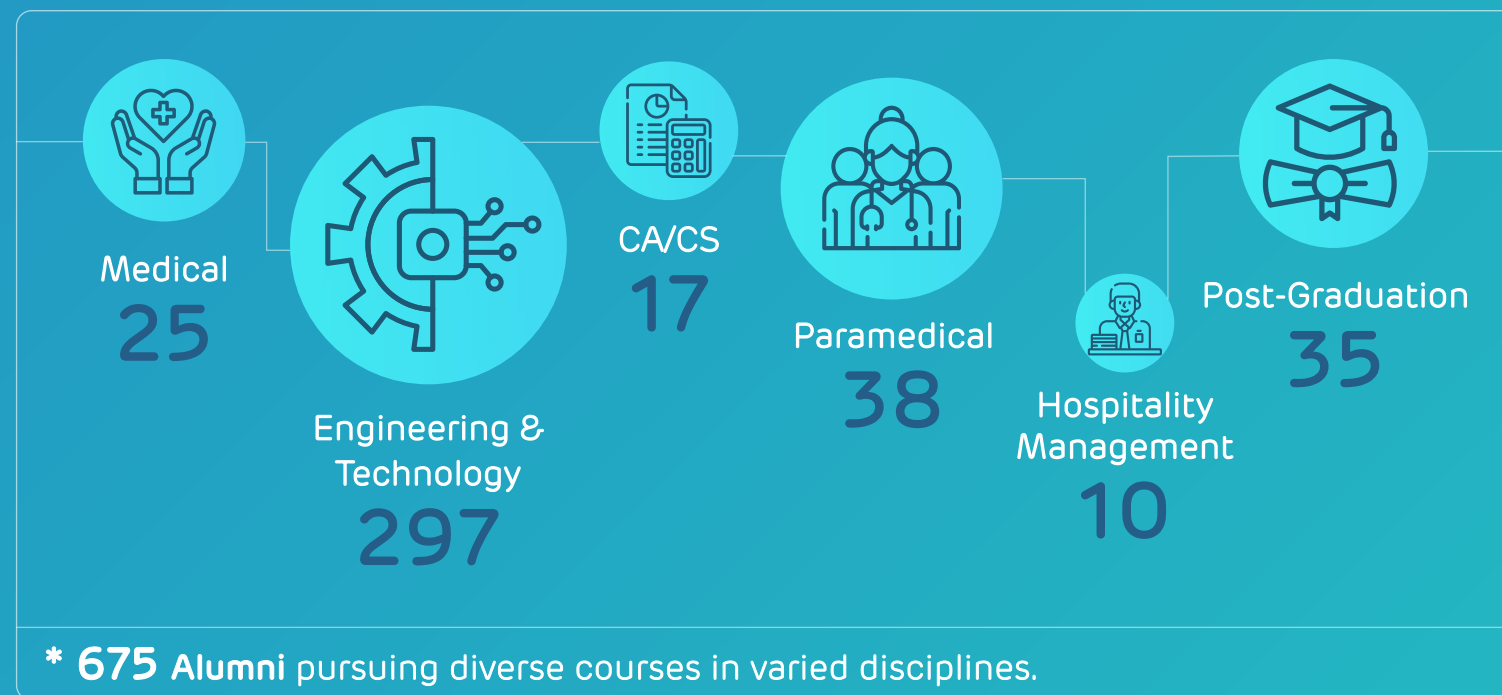

AVMs extend their impact by supporting local government schools with qualified teachers and helping students prepare for competitive exams and scholarships. The Students of AVMs contribute to the community by visiting orphanages, celebrating national days with senior citizens and sharing the joy of festivals with terminally ill patients, soldiers and community helpers.

06

Transforming Lives

AVMs proudly celebrate the achievements of their Alumni, who have excelled in diverse fields such as medicine, engineering, aviation, designing, law, mass communication, architecture, hospitality, data science, sports, and the arts. Many have pursued advanced studies and professional courses, while others have built successful careers in prestigious organizations.

AVMs Alumni Footprint Across Disciplines

Alumni Brewing Success: Achieving Happiness

Batch: 2013- 14

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Honey Rakesh Gupta	Ph.D.	Employed at Bhabha Atomic Research Center, Powai, Mumbai
2.	Prithvi Patel	B.E.	Employed at Engelmann Sensor, Germany
3.	Jigar Chhatrala	M.B.A.	Employed at Adani Wilmar Limited
4.	Gitarth S. Shah	M.Com.	Employed at IDFC First Bank
5.	Dipesh Rafaliya	M.Sc.	Employed at Amazon.com

Batch: 2014- 15

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Apurv Patel	B.E.	Employed at Capital One Canada
2.	Shivam Saraff	M.B.A.	Employed at Adani Enterprises Limited
3.	Shaneilahi Budhwani	M.Pharm.	Studying for a double master's at the University of Texas
4.	Amit Kumar Patni	B.E.	Employed at TCS Ahmedabad
5.	Harsh Ojha	M.C.A.	Employed in TCS as System Engineer
6.	Sahil Soni	B.C.A.	Employed as IT analyst in Drake International, Canada
7.	Rinku Rajpal	B.Sc. & IGNITE Awardee 2014	Working as Recruiting Lead - US Healthcare

Batch: 2015- 16

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Yamik Upadhyay	Chartered Accountant (C.A.)	Employed & running his own Private Practice
2.	Hardik Jani	B.C.A.	Employed in Infosys Limited
3.	Viral Joshi	M.Com.	Employed at Kotak Mahindra Bank Limited
4.	Pramod Tiwari	B.Tech.	Employed at Amazon
5.	Ridham Vithalani	C.F.A.	Employed at Canadian Imperial Bank
6.	Himanshu Barot	Master's in Music	Studying with a 50 lakh scholarship at Metropolitan College of New York, Bronx NYU
7.	Viraj Parmar	B.Tech.	Employed at Mastercard, Business Bay , Pune

Batch: 2016- 17

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Viraj Shah	Post Graduation	Employed at Dentsu Media, Canada
2.	Pooja Talreja	Chartered Accountant (C.A.)	Employed at Adani Enterprises
3.	Shibani Patadia	B.Sc.	Employed as a trainee pilot at Gujarat Flying Club
4.	Sunil Patni	B.E.	Employed with Gujarat Police Department
5.	Jayveer Chhasatiya	B.Sc.	Employed at MRF Tyres
6.	Kelsi Modi	M.Tech.	Studying at the University of Calgary, Canada
7.	Harsh Prajapati	C.S.	Employed in Adani Enterprise Limited
8.	Kuldeepsinh Jadea	Chartered Accountant (C.A.)	Working with Price Waterhouse Chartered Accountants
9.	Bhavya Shah	Chartered Accountant (C.A.)	Working with Price Waterhouse Chartered Accountants

Batch: 2017- 18

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Rajkumar Chauhan	M.D.S. (Masters in Dental Surgery)	Studying at Greenwich University, United Kingdom

Batch: 2018- 19

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Mohammed Atik Saiyed	B.A. LLB., Gujarat National Law University	Employed at Talwar Thakore & associates , Mumbai
2.	Nikhil Dharwal	M.B.A.	Studying at Narsee Monji Institute of Management Studies, Mumbai
3.	Pooja Shukla	B.A. LLB., Gujarat National Law University	Employed at Khaitan & Company
4.	Bhavya Patel	M.B.A.	Employed in Adani Enterprise
5.	Fenil Maturkar	B.A.	Entrepreneur, motivational speaker, bestselling author on Amazon and runs own company - INVICTUS
6.	Mohammed Nouman Shaikh	B.A. LLB.	Working as Lawyer in Gujarat High Court

Batch: 2019- 20

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Dhairya Dave	B.Tech.	Studying at Pandit Deendayal Energy University , Gandhinagar, Gujarat (PDEU).
2.	Amit Khokhar	M.Tech.	Studying in IIT Delhi
3.	Abhishek Desai	B.Tech.	Employed as Technical Support Advisor in APPLE in Canada

Batch: 2020- 21

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Yugni Pipaliya	B.Tech.	Studying at Assiniboine Community College, Canada
2.	Ashnil Arunkumar Patel	B.E.	Studying at Deakin University, Melbourne, Australia
3.	Siddharth Bhuva	B.Tech.	Studying at IIT , Powai, Mumbai
4.	Brijesh Daffda	M.B.B.S.	Studying at All India Institute of Medical Science (AIIMS) Jodhpur
5.	Sanjana Patni	M.B.B.S.	Studying in NHL Medical College

Batch: 2022- 23

Sr. No.	Name of the Alumni	Educational Qualification	Current Status
1.	Dhruv Vishalbhai Kunvarani	B.E.	Studying at BITS Pilani, Rajasthan
2.	Krish Kalpeshkumar Patel	B.Tech.	Studying at IIT Jodhpur
3.	Mohammad Matin Saeed Ahmed Rana	B.E.	Studying at Nirma University, Ahmedabad
4.	Priyanshu Gopal Prasad Sharma	B.Tech.	Studying at IIT Jodhpur
5.	Rahil Jatinkumar Rathod	B.Tech.	Studying at IIT Nagpur
6.	Pinal Arvindbhai Sukhadiya	Diploma	Studying at Conestoga College, Canada
7.	Ved Prajapati	B.Tech.	Studying at Pandit Deendayal Energy University, Gandhinagar, Gujarat (PDEU)

These alumni exemplify the school's success in transforming lives and creating opportunities for future generations

07

Awards, Recognitions & Collaborations

AVMs promote the 7Rs of sustainability “Reduce, Reuse, Recycle, Refuse, Recover, Repair, Rethink” and foster action research on climate issues.

SDG 13
Climate Change

The school embeds tree plantations, green audits, and environmental respect, preserving marine and terrestrial ecosystems.

SDG 14 & 15
Life Below Water and on Land

Students of AVMs participate in Model UN conferences, Parliamentary Sessions, and School Council Elections to understand governance and promote peaceful societies with law-abiding citizens.

SDG 16
Peace, Justice & Strong Institutions

By collaborating with organizations such as UNICEF and educational institutions like NIE Singapore, we aim to enhance our educational programs and promote holistic development for our students. These partnerships enable us to share resources, knowledge, and best practices, ensuring that we address various challenges effectively. Through joint initiatives, we empower our students to understand the importance of collaboration and social responsibility, equipping them with the skills needed for sustainable futures. Together, we commit to fulfilling all SDGs, fostering a community that is informed, engaged, and ready to make a positive impact on the world.

SDG 17
Partnerships for Goals

AVMA

The first private school in Ahmedabad to receive NABET Accreditation under the Quality Council of India

AVMB

The first state board school in Gujarat to achieve NABET Accreditation under the Quality Council of India

AVM has received numerous accolades, recognitions, and awards for its role as a catalyst in transforming individuals into better humans and responsible citizens, equipped with essential skills and values.

International Awards

GSA Bronze Award
2023

International Green
School Award 2023

National Awards

1. Educational Excellence Award 2024
2. AAAA+ Rating – Careers 360 (2024)
3. Ranked 3rd in Ahmedabad City– TIMES Schools Ranking Survey (2023)
4. Philanthropic School + Social Impact Award Rank 1 – Education World (2023)
5. Outstanding Social Service – NIIT University (2023)
6. Rank 1 in Holistic Education (Pan India) – Education Today (2023)
7. Eat First School Certification – FSSAI & Ministry of Health
8. Innovation in Global Collaborative Learning – NABET, QCI & Universal Mentors

In Their Own Expressions

Testimonials from Students, Alumni, Parents and Educators

Testimonials

Students

Hailing from a fisherman's family, I was fortunate to secure admission to AVM Bhadreshwar. Over the past ten years, this journey has transformed me into a confident and competent individual. Despite my parents being illiterate, I aspire to achieve something significant in life to support and uplift my family.

Nazir Manjalia

Class X – Bhadreshwar Campus

I come from a remote tribal village called Parsa in Chhattisgarh. Growing up, attending a good school, especially an English-medium one, felt like an impossible dream. It was only because of my teachers, who personally visited my home to convince my parents, that I could attend school regularly. Today, my parents are incredibly proud of how far I've come.

Manjeet Sarathi

Class IX – Surguja Campus

Alumni

"Adani Vidya Mandir Ahmedabad was a turning point in my life. The school provided me with quality education and took care of my needs, allowing me to focus on my studies without financial worries. The values and dedication instilled by the teachers shaped my journey both personally and professionally."

Nikhil Dharwal

Ahmedabad Campus, Batch of 2018

MBA Student at Narsee Monjee Institute of Management, Mumbai

"As an alumna, I owe my personal and intellectual growth to Adani Vidya Mandir. The constant encouragement from teachers and the challenging curriculum fostered my leadership, creativity, and self-reliance. My time here will always be a cherished part of my life."

Razia Hundra

Alumni, Bhadreshwar Campus

Parents

Being a small-scale farmer with limited income, it seemed nearly impossible to send my only daughter to a good school. However, the CSR team from the Adani Foundation visited our home and guided us to seek admission at AVM Surguja. Today, our daughter is studying in Class 9. She remains humble but is growing into a confident young individual, ready to stand on her own feet.

Mother of Amisha Porte

Class-IX, Surguja Campus

In a small place like Bhadreshwar, AVM has truly been a blessing for us. Although I am not educated, I am overjoyed to see my son growing with maturity in his education and life. Earlier, we had to guide him constantly, but now he wakes up early on his own and eagerly goes to school every day. He aspires to become a successful engineer and dreams of joining Adani Port. AVM has not only transformed my son but has brought positive changes to our entire family.

Father of Raviraj

Class X, Bhadreshwar Campus

Educators

I joined AVMA as a Math Educator in 2013, after a long and successful stint in private schools, joining AVM was a life-changing experience for me. I could connect with each student, and it was a blessing to see them grow and succeed year after year. The satisfaction I get from this experience cannot be described but can only be truly felt.

Ms. Sabita Routroy

Educator – Ahmedabad Campus

I am a Hindi teacher, closely connected to my students. Initially, I faced challenges due to the behavior of drunken villagers. However, by understanding and engaging with them, I have seen a positive change. Today, many of our happy alumni come to visit us, expressing their gratitude for what they have become.

Mr. MNV Kishore Sharma

Educator – Krishnapatnam Campus

Nurturing the Leaders of Tomorrow

At AVMs, education is a transformative journey that nurtures not only academic excellence but also compassion and cultural values. By admitting last-mile children, including first-generation learners, AVMs ensure that every student receives the support they need to break barriers and explore new possibilities. Every child's dream is honored, and their potential is nurtured, creating a space where no goal is too distant, and every journey matters.
